History.—s. 2, ch. 80-407.

190.002 Legislative findings, policies, and intent.—

(1) The Legislature finds that:

(a) There is a need for uniform, focused, and fair procedures in state law to provide a reasonable alternative for the establishment, power, operation, and duration of independent districts to manage and finance basic community development services; and that, based upon a proper and fair determination of applicable facts, an independent district can constitute a timely, efficient, effective, responsive, and economic way to deliver these basic services, thereby providing a solution to the state's planning, management, and financing needs for delivery of capital infrastructure in order to service projected growth without overburdening other governments and their taxpayers.

(b) It is in the public interest that any independent special district created pursuant to state law not outlive its usefulness and that the operation of such a district and the exercise by the district of its powers be consistent with applicable due process, disclosure, accountability, ethics, and government-in-the-sunshine requirements which apply both to governmental entities and to their elected and appointed officials.

(c) It is in the public interest that long-range planning, management, and financing and long-term maintenance, upkeep, and operation of basic services for community development districts be under one coordinated entity.

(2) It is the policy of this state:

(a) That the needless and indiscriminate proliferation, duplication, and fragmentation of local general-purpose government services by independent districts is not in the public interest.

(b) That independent districts are a legitimate alternative method available for use by the private and public sectors, as authorized by state law, to manage and finance basic services for community developments.

(c) That the exercise by any independent district of its powers as set forth by uniform general law comply with all applicable governmental laws, rules, regulations, and policies governing planning and permitting of the development to be serviced by the district, to ensure that neither the establishment nor operation of such district is a development order under chapter 380 and that the district so established does not have any zoning or permitting powers governing development.

(d) That the process of establishing such a district pursuant to uniform general law be fair and based only on factors material to managing and financing the service delivery function of the district, so that any matter concerning permitting or planning of the development is not material or relevant.

(3) It is the legislative intent and purpose, based upon, and consistent with, its findings of fact and declarations of policy, to authorize a uniform procedure by general law to establish an independent special district as an alternative method to manage and finance basic services for community development. It is further the legislative intent and purpose to provide by general law for the uniform operation, exercise of power, and procedure for termination of any such independent district. It is further the purpose and intent of the Legislature that a district created under this chapter not have or exercise any zoning or development permitting power, that the establishment of the independent community development district as provided in this act not be a development order within the meaning of chapter 380, and that all applicable planning and permitting laws, rules, regulations, and policies control the development of the land to be serviced by the district. It is further the purpose and intent of the Legislature that no debt or obligation of a district constitute a burden on any local general-purpose government without its consent.

(1) This act constitutes the sole authorization for the future establishment of independent community development districts which have any of the specialized functions and powers provided by this act.

(2) The adoption of chapter 84-360, Laws of Florida, does not affect the validity of the establishment of any community development district or other special district existing on June 29, 1984; and existing community development districts will be subject to the provisions of chapter 190, as amended. All actions taken prior to July

1, 2000, by a community development district existing on June 29, 1984, if taken pursuant to the authority contained in chapter 80-407, Laws of Florida, or this chapter are hereby deemed to have adequate statutory authority. Nothing herein shall affect the validity of any outstanding indebtedness of a community development district established prior to June 29, 1984, and such district is hereby authorized to continue to comply with all terms and requirements of trust indentures or loan agreements relating to such outstanding indebtedness.

(3) The establishment of an independent community development district as provided in this act is not a development order within the meaning of chapter 380. All governmental planning, environmental, and land development laws, regulations, and ordinances apply to all development of the land within a community development district. Community development districts do not have the power of a local government to adopt a comprehensive plan, building code, or land development code, as those terms are defined in the Community Planning Act. A district shall take no action which is inconsistent with applicable comprehensive plans, ordinances, or regulations of the applicable local general-purpose government.

(4) The exclusive charter for a community development district shall be the uniform community development district charter as set forth in ss. 190.006-190.041, including the special powers provided by s. 190.012.

(1) The exclusive and uniform method for the establishment of a community development district with a size of 2,500 acres or more shall be pursuant to a rule, adopted under chapter 120 by the Florida Land and Water Adjudicatory Commission, granting a petition for the establishment of a community development district.

(a) A petition for the establishment of a community development district shall be filed by the petitioner with the Florida Land and Water Adjudicatory Commission. The petition shall contain:

1. A metes and bounds description of the external boundaries of the district. Any real property within the external boundaries of the district which is to be excluded from the district shall be specifically described, and the last known address of all owners of such real property shall be listed. The petition shall also address the impact of the proposed district on any real property within the external boundaries of the district which is to be excluded from the district.

2. The written consent to the establishment of the district by all landowners whose real property is to be included in the district or documentation demonstrating that the petitioner has control by deed, trust agreement, contract, or option of 100 percent of the real property to be included in the district, and when real property to be included in the district is owned by a governmental entity and subject to a ground lease as described in s. 190.003(14), the written consent by such governmental entity.

3. A designation of five persons to be the initial members of the board of supervisors, who shall serve in that office until replaced by elected members as provided in s. 190.006.

4. The proposed name of the district.

5. A map of the proposed district showing current major trunk water mains and sewer interceptors and outfalls if in existence.

6. Based upon available data, the proposed timetable for construction of the district services and the estimated cost of constructing the proposed services. These estimates shall be submitted in good faith but are not binding and may be subject to change.

7. A designation of the future general distribution, location, and extent of public and private uses of land proposed for the area within the district by the future land use plan element of the effective local government comprehensive plan of which all mandatory elements have been adopted by the applicable general-purpose local government in compliance with the Community Planning Act.

8. A statement of estimated regulatory costs in accordance with the requirements of s. 120.541.

(b) Prior to filing the petition, the petitioner shall:

1. Pay a filing fee of $15,000 to the county, if located within an unincorporated area, or to the municipality, if located within an incorporated area, and to each municipality the boundaries of which are contiguous with, or contain all or a portion of the land within, the external boundaries of the district.

2. Submit a copy of the petition to the county, if located within an unincorporated area, or to the municipality, if located within an incorporated area, and to each municipality the boundaries of which are contiguous with, or contain all or a portion of, the land within the external boundaries of the district.

3. If land to be included within a district is located partially within the unincorporated area of one or more counties and partially within a municipality or within two or more municipalities, pay a $15,000 filing fee to each entity. Districts established across county boundaries shall be required to maintain records, hold meetings and hearings, and publish notices only in the county where the majority of the acreage within the district lies.

(c) Such county and each such municipality required by law to receive a petition may conduct a public hearing to consider the relationship of the petition to the factors specified in paragraph (e). The public hearing shall be concluded within 45 days after the date the petition is filed unless an extension of time is requested by the petitioner and granted by the county or municipality. The county or municipality holding such public hearing may by resolution express its support of, or objection to the granting of, the petition by the Florida Land and Water Adjudicatory Commission. A resolution must base any objection to the granting of the petition upon the factors specified in paragraph (e). Such county or municipality may present its resolution of support or objection at the Florida Land and Water Adjudicatory Commission hearing and shall be afforded an opportunity to present relevant information in support of its resolution.

(d) A local public hearing on the petition shall be conducted by a hearing officer in conformance with the applicable requirements and procedures of the Administrative Procedure Act. The hearing shall include oral and written comments on the petition pertinent to the factors specified in paragraph (e). The hearing shall be held at an accessible location in the county in which the community development district is to be located. The petitioner shall cause a notice of the hearing to be published for 4 successive weeks on a publicly accessible website as provided in s. 50.0311 or, if published in print, in a newspaper at least once a week for the 4 successive weeks immediately prior to the hearing as provided in chapter 50. Such notice shall give the time and place for the hearing, a description of the area to be included in the district, which description shall include a map showing clearly the area to be covered by the district, and any other relevant information which the establishing governing bodies may require. If published in the print edition of a newspaper, the advertisement may not be placed in the portion of the newspaper where legal notices and classified advertisements appear. The advertisement must be published in a newspaper in the county and of general interest and readership in the community pursuant to chapter 50. Whenever possible, the advertisement shall appear in a newspaper that is published at least weekly, unless the only newspaper in the community is published less than weekly. If the notice is published in the print edition of the newspaper, the map must also be included in any online advertisement pursuant to s. 50.0211. All affected units of general-purpose local government and the general public shall be given an opportunity to appear at the hearing and present oral or written comments on the petition.

(e) The Florida Land and Water Adjudicatory Commission shall consider the entire record of the local hearing, the transcript of the hearing, resolutions adopted by local general-purpose governments as provided in paragraph (c), and the following factors and make a determination to grant or deny a petition for the establishment of a community development district:

1. Whether all statements contained within the petition have been found to be true and correct.

2. Whether the establishment of the district is inconsistent with any applicable element or portion of the state comprehensive plan or of the effective local government comprehensive plan.

3. Whether the area of land within the proposed district is of sufficient size, is sufficiently compact, and is sufficiently contiguous to be developable as one functional interrelated community.

4. Whether the district is the best alternative available for delivering community development services and facilities to the area that will be served by the district.

5. Whether the community development services and facilities of the district will be incompatible with the capacity and uses of existing local and regional community development services and facilities.

6. Whether the area that will be served by the district is amenable to separate special-district government.

(f) The Florida Land and Water Adjudicatory Commission shall not adopt any rule which would expand, modify, or delete any provision of the uniform community development district charter as set forth in ss. 190.006-190.041,

except as provided in s. 190.012. A rule establishing a community development district shall only contain the following:

1. A metes and bounds description of the external boundaries of the district and any real property within the external boundaries of the district which is to be excluded.

2. The names of five persons designated to be the initial members of the board of supervisors.

3. The name of the district.

(g) The Florida Land and Water Adjudicatory Commission may adopt rules setting forth its procedures for considering petitions to establish, expand, modify, or delete uniform community development districts or portions thereof consistent with the provisions of this section.

(2) The exclusive and uniform method for the establishment of a community development district of less than 2,500 acres in size or a community development district of up to 7,000 acres in size located within a connected-city corridor established pursuant to s. 163.3246(13) shall be pursuant to an ordinance adopted by the county commission of the county having jurisdiction over the majority of land in the area in which the district is to be located granting a petition for the establishment of a community development district as follows:

(a) A petition for the establishment of a community development district shall be filed by the petitioner with the county commission. The petition shall contain the same information as required in paragraph (1)(a).

(b) A public hearing on the petition shall be conducted by the county commission in accordance with the requirements and procedures of paragraph (1)(d).

(c) The county commission shall consider the record of the public hearing and the factors set forth in paragraph (1)(e) in making its determination to grant or deny a petition for the establishment of a community development district.

(d) The county commission may not adopt any ordinance which would expand, modify, or delete any provision of the uniform community development district charter as set forth in ss. 190.006-190.041. An ordinance establishing a community development district shall only include the matters provided for in paragraph (1)(f) unless the commission consents to any of the optional powers under s. 190.012(2) at the request of the petitioner.

(e) If all of the land in the area for the proposed district is within the territorial jurisdiction of a municipal corporation, then the petition requesting establishment of a community development district under this act shall be filed by the petitioner with that particular municipal corporation. In such event, the duties of the county, hereinabove described, in action upon the petition shall be the duties of the municipal corporation. If any of the land area of a proposed district is within the land area of a municipality, the county commission may not create the district without municipal approval. If all of the land in the area for the proposed district, even if less than 2,500 acres, is within the territorial jurisdiction of two or more municipalities or two or more counties, except for proposed districts within a connected-city corridor established pursuant to s. 163.3246(13), the petition shall be filed with the Florida Land and Water Adjudicatory Commission and proceed in accordance with subsection (1).

(f) Notwithstanding any other provision of this subsection, within 90 days after a petition for the establishment of a community development district has been filed pursuant to this subsection, the governing body of the county or municipal corporation may transfer the petition to the Florida Land and Water Adjudicatory Commission, which shall make the determination to grant or deny the petition as provided in subsection (1). A county or municipal corporation shall have no right or power to grant or deny a petition that has been transferred to the Florida Land and Water Adjudicatory Commission.

(3) The governing body of any existing special district, created to provide one or more of the public improvements and community facilities authorized by this act, may petition for reestablishment of the existing district as a community development district pursuant to this act. The petition shall contain the information specified in subparagraphs (1)(a)1., 3., 4., 5., 6., and 7. and shall not require payment of a fee pursuant to paragraph (1)(b). In such case, the new district so formed shall assume the existing obligations, indebtedness, and guarantees of indebtedness of the district so subsumed, and the existing district shall be terminated.

190.006 Board of supervisors; members and meetings.—

(1) The board of the district shall exercise the powers granted to the district pursuant to this act. The board shall consist of five members; except as otherwise provided herein, each member shall hold office for a term of 2 years or 4 years, as provided in this section, and until a successor is chosen and qualifies. The members of the board must be residents of the state and citizens of the United States.

(2)(a) Within 90 days following the effective date of the rule or ordinance establishing the district, there shall be held a meeting of the landowners of the district for the purpose of electing five supervisors for the district. Notice of the landowners' meeting shall be published once a week for 2 consecutive weeks in a newspaper which is in general circulation in the area of the district, the last day of such publication to be not fewer than 14 days or more than 28 days before the date of the election. The landowners, when assembled at such meeting, shall organize by electing a chair who shall conduct the meeting. The chair may be any person present at the meeting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions.

(b) At such meeting, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the district for each person to be elected. A landowner may vote in person or by proxy in writing. Each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property, or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy need not be notarized. A fraction of an acre shall be treated as 1 acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots shall not be aggregated for determining the number of voting units held by a landowner or a landowner's proxy. The two candidates receiving the highest number of votes shall be elected for a period of 4 years, and the three candidates receiving the next largest number of votes shall be elected for a period of 2 years, with the term of office for each successful candidate commencing upon election. The members of the first board elected by landowners shall serve their respective 4-year or 2-year terms; however, the next election by landowners shall be held on the first Tuesday in November. Thereafter, there shall be an election of supervisors for the district every 2 years in November on a date established by the board and noticed pursuant to paragraph (a). The second and subsequent landowners' election shall be announced at a public meeting of the board at least 90 days prior to the date of the landowners' meeting and shall also be noticed pursuant to paragraph (a). Instructions on how all landowners may participate in the election, along with sample proxies, shall be provided during the board meeting that announces the landowners' meeting. The two candidates receiving the highest number of votes shall be elected to serve for a 4-year period, and the remaining candidate elected shall serve for a 2-year period.

(3)(a)1. If the board proposes to exercise the ad valorem taxing power authorized by s. 190.021, the district board shall call an election at which the members of the board of supervisors will be elected. Such election shall be held in conjunction with a primary or general election unless the district bears the cost of a special election. Each member shall be elected by the qualified electors of the district for a term of 4 years, except that, at the first such election, three members shall be elected for a period of 4 years and two members shall be elected for a period of 2 years. All elected board members must be qualified electors of the district.

2.a. Regardless of whether a district has proposed to levy ad valorem taxes, commencing 6 years after the initial appointment of members or, for a district exceeding 5,000 acres in area or for a compact, urban, mixed-use district, 10 years after the initial appointment of members, the position of each member whose term has expired shall be filled by a qualified elector of the district, elected by the qualified electors of the district. However, for those districts established after June 21, 1991, and for those existing districts established after December 31, 1983, which have less than 50 qualified electors on June 21, 1991, sub-subparagraphs b. and d. shall apply. If, in the 6th year after the initial appointment of members, or 10 years after such initial appointment for districts exceeding 5,000 acres in area or for a compact, urban, mixed-use district, there are not at least 250 qualified electors in the

district, or for a district exceeding 5,000 acres or for a compact, urban, mixed-use district, there are not at least 500 qualified electors, members of the board shall continue to be elected by landowners.

b. After the 6th or 10th year, once a district reaches 250 or 500 qualified electors, respectively, then the positions of two board members whose terms are expiring shall be filled by qualified electors of the district, elected by the qualified electors of the district for 4-year terms. The remaining board member whose term is expiring shall be elected for a 4-year term by the landowners and is not required to be a qualified elector. Thereafter, as terms expire, board members shall be qualified electors elected by qualified electors of the district for a term of 4 years.

c. Once a district qualifies to have any of its board members elected by the qualified electors of the district, the initial and all subsequent elections by the qualified electors of the district shall be held at the general election in November. The board shall adopt a resolution if necessary to implement this requirement when the board determines the number of qualified electors as required by sub-subparagraph d., to extend or reduce the terms of current board members.

d. On or before June 1 of each year, the board shall determine the number of qualified electors in the district as of the immediately preceding April 15. The board shall use and rely upon the official records maintained by the supervisor of elections and property appraiser or tax collector in each county in making this determination. Such determination shall be made at a properly noticed meeting of the board and shall become a part of the official minutes of the district.

(b) Elections of board members by qualified electors held pursuant to this subsection shall be nonpartisan and shall be conducted in the manner prescribed by law for holding general elections. The district shall publish a notice of the qualifying period set by the supervisor of elections for each election at least 2 weeks prior to the start of the qualifying period. Board members shall assume the office on the second Tuesday following their election. If no elector qualifies for a seat to be filled in an election, a vacancy in that seat shall be declared by the board effective on the second Tuesday following the election. Within 90 days thereafter, the board shall appoint a qualified elector to fill the vacancy. Until such appointment, the incumbent board member in that seat shall remain in office.

(c) Candidates seeking election to office by qualified electors under this subsection shall conduct their campaigns in accordance with the provisions of chapter 106 and shall file qualifying papers and qualify for individual seats in accordance with s. 99.061.

(d) The supervisor of elections shall appoint the inspectors and clerks of elections, prepare and furnish the ballots, designate polling places, and canvass the returns of the election of board members by qualified electors. The county canvassing board shall declare and certify the results of the election.

(4) Members of the board shall be known as supervisors and, upon entering into office, shall take and subscribe to the oath of office as prescribed by s. 876.05. They shall hold office for the terms for which they were elected or appointed and until their successors are chosen and qualified. If, during the term of office, a vacancy occurs, the remaining members of the board shall fill the vacancy by an appointment for the remainder of the unexpired term.

(5) A majority of the members of the board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the district shall be upon a vote of a majority of the members present unless general law or a rule of the district requires a greater number.

(6) As soon as practicable after each election or appointment, the board shall organize by electing one of its members as chair and by electing a secretary, who need not be a member of the board, and such other officers as the board may deem necessary.

(7) The board shall keep a permanent record book entitled “Record of Proceedings of _(name of district)_ Community Development District,” in which shall be recorded minutes of all meetings, resolutions, proceedings, certificates, bonds given by all employees, and any and all corporate acts. The record book shall at reasonable times be opened to inspection in the same manner as state, county, and municipal records pursuant to chapter 119. The record book shall be kept at the office or other regular place of business maintained by the board in the county or municipality in which the district is located or within the boundaries of a development of regional impact or

Florida Quality Development, or combination of a development of regional impact and Florida Quality Development, which includes the district.

(8) Each supervisor shall be entitled to receive for his or her services an amount not to exceed $200 per meeting of the board of supervisors, not to exceed $4,800 per year per supervisor, or an amount established by the electors at referendum. In addition, each supervisor shall receive travel and per diem expenses as set forth in s. 112.061.

(9) All meetings of the board shall be open to the public and governed by the provisions of chapter 286.

190.007 Board of supervisors; general duties.—

(1) The board shall employ, and fix the compensation of, a district manager. The district manager shall have charge and supervision of the works of the district and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of this act, for maintaining and operating the equipment owned by the district, and for performing such other duties as may be prescribed by the board. It shall not be a conflict of interest under chapter 112 for a board member or the district manager or another employee of the district to be a stockholder, officer, or employee of a landowner or of an entity affiliated with a landowner. The district manager may hire or otherwise employ and terminate the employment of such other persons, including, without limitation, professional, supervisory, and clerical employees, as may be necessary and authorized by the board. The compensation and other conditions of employment of the officers and employees of the district shall be as provided by the board. For purposes of s. 8(h)(2), Art. II of the State Constitution, a board member or a public employee of a district does not abuse his or her public position if the board member or public employee commits an act or omission that is authorized under this subsection, s. 112.313(7), (12), (15), or (16), or s. 112.3143(3)(b), and an abuse of a board member's public position does not include any act or omission in connection with a vote when the board member has followed the procedures required by s. 112.3143.

(2) The board shall designate a person who is a resident of the state as treasurer of the district, who shall have charge of the funds of the district. Such funds shall be disbursed only upon the order, or pursuant to the resolution, of the board by warrant or check countersigned by the treasurer and by such other person as may be authorized by the board. The board may give the treasurer such other or additional powers and duties as the board may deem appropriate and may fix his or her compensation. The board may require the treasurer to give a bond in such amount, on such terms, and with such sureties as may be deemed satisfactory to the board to secure the performance by the treasurer of his or her powers and duties. The financial records of the board shall be audited by an independent certified public accountant at least once a year.

(3) The board is authorized to select as a depository for its funds any qualified public depository as defined in s. 280.02 which meets all the requirements of chapter 280 and has been designated by the Chief Financial Officer as a qualified public depository, upon such terms and conditions as to the payment of interest by such depository upon the funds so deposited as the board may deem just and reasonable.

190.008 Budget; reports and reviews.—

(1) The district shall provide financial reports in such form and such manner as prescribed pursuant to this chapter and chapter 218.

(2)(a) On or before each June 15, the district manager shall prepare a proposed budget for the ensuing fiscal year to be submitted to the board for board approval. The proposed budget shall include at the direction of the board an estimate of all necessary expenditures of the district for the ensuing fiscal year and an estimate of income to the district from the taxes, assessments, and other revenues provided in this act. The board shall consider the proposed budget item by item and may either approve the budget as proposed by the district manager or modify the same in part or in whole. The board shall indicate its approval of the budget by resolution, which resolution shall provide for a hearing on the budget as approved. Notice of the hearing on the budget shall be published in a

newspaper of general circulation in the area of the district once a week for 2 consecutive weeks, except that the first publication shall be not fewer than 15 days prior to the date of the hearing. The notice shall further contain a designation of the day, time, and place of the public hearing. At the time and place designated in the notice, the board shall hear all objections to the budget as proposed and may make such changes as the board deems necessary. At the conclusion of the budget hearing, the board shall, by resolution, adopt the budget as finally approved by the board. The budget shall be adopted prior to October 1 of each year.

(b) At least 60 days prior to adoption, the district board shall submit to the local governing authorities having jurisdiction over the area included in the district, for purposes of disclosure and information only, the proposed annual budget for the ensuing fiscal year and any proposed long-term financial plan or program of the district for future operations.

(c) The local governing authorities may review the proposed annual budget and any long-term financial plan or program and may submit written comments to the board for its assistance and information in adopting its annual budget and long-term financial plan or program.

190.009 Disclosure of public financing.—

(1) The district shall take affirmative steps to provide for the full disclosure of information relating to the public financing and maintenance of improvements to real property undertaken by the district. Such information shall be made available to all existing residents, and to all prospective residents, of the district. The district shall furnish each developer of a residential development within the district with sufficient copies of that information to provide each prospective initial purchaser of property in that development with a copy, and any developer of a residential development within the district, when required by law to provide a public offering statement, shall include a copy of such information relating to the public financing and maintenance of improvements in the public offering statement. The district shall file the disclosure documents required by this subsection and any amendments thereto in the property records of each county in which the district is located.

(2) The Department of Commerce shall keep a current list of districts and their disclosures pursuant to this act and shall make such studies and reports and take such actions as it deems necessary.

(5) To adopt rules and orders pursuant to the provisions of chapter 120 prescribing the powers, duties, and functions of the officers of the district; the conduct of the business of the district; the maintenance of records; and the form of certificates evidencing tax liens and all other documents and records of the district. Meetings pursuant to s. 189.015(3) of a district within the boundaries of a development of regional impact or Florida Quality Development, or a combination of a development of regional impact and a Florida Quality Development, may be held at such office.

(7)(a) To hold, control, and acquire by donation, purchase, or condemnation, or dispose of, any public easements, dedications to public use, platted reservations for public purposes, or any reservations for those purposes authorized by this act and to make use of such easements, dedications, or reservations for any of the purposes authorized by this act.

190.012 Special powers; public improvements and community facilities.—The district shall have, and the board may exercise, subject to the regulatory jurisdiction and permitting authority of all applicable governmental bodies, agencies, and special districts having authority with respect to any area included therein, any or all of the following special powers relating to public improvements and community facilities authorized by this act:

(1) To finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain systems, facilities, and basic infrastructures for the following:

(a) Water management and control for the lands within the district and to connect some or any of such facilities with roads and bridges.

(b) Water supply, sewer, and wastewater management, reclamation, and reuse or any combination thereof, and to construct and operate connecting intercepting or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system.

(c) Bridges or culverts that may be needed across any drain, ditch, canal, floodway, holding basin, excavation, public highway, tract, grade, fill, or cut and roadways over levees and embankments, and to construct any and all of such works and improvements across, through, or over any public right-of-way, highway, grade, fill, or cut.

(d)1. District roads equal to or exceeding the applicable specifications of the county in which such district roads are located; roads and improvements to existing public roads that are owned by or conveyed to the local general-purpose government, the state, or the Federal Government; street lights; alleys; landscaping; hardscaping; and the undergrounding of electric utility lines. Districts may request the underground placement of utility lines by the local retail electric utility provider in accordance with the utility's tariff on file with the Public Service Commission and may finance the required contribution.

2. Buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage.

(e) Investigation and remediation costs associated with the cleanup of actual or perceived environmental contamination within the district under the supervision or direction of a competent governmental authority unless the covered costs benefit any person who is a landowner within the district and who caused or contributed to the contamination.

(f) Conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property.

(g) Any other project within or without the boundaries of a district when a local government issued a development order pursuant to s. 380.06 approving or expressly requiring the construction or funding of the project by the district, or when the project is the subject of an agreement between the district and a governmental entity and is consistent with the local government comprehensive plan of the local government within which the project is to be located.

(h) Any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the district.

(2) After the local general-purpose government within the jurisdiction of which a power specified in this subsection is to be exercised consents to the exercise of such power by the district, the district shall have the power to plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain additional systems and facilities for:

(a) Parks and facilities for indoor and outdoor recreational, cultural, and educational uses.

(b) Fire prevention and control, including fire stations, water mains and plugs, fire trucks, and other vehicles and equipment.

(c) School buildings and related structures and site improvements, which may be leased, sold, or donated to the school district, for use in the educational system when authorized by the district school board.

(d) Security, including, but not limited to, guardhouses, fences and gates, electronic intrusion-detection systems, and patrol cars, when authorized by proper governmental agencies; except that the district may not exercise any police power, but may contract with the appropriate local general-purpose government agencies for an increased level of such services within the district boundaries. However, this paragraph does not prohibit a district from contracting with a towing operator to remove a vehicle or vessel from a district-owned facility or property if the district follows the authorization and notice and procedural requirements in s. 715.07 for an owner or lessee of private property. The district's selection of a towing operator is not subject to public bidding if the towing operator is included in an approved list of towing operators maintained by the local government that has jurisdiction over the district's facility or property.

(e) Control and elimination of mosquitoes and other arthropods of public health importance.

(f) Waste collection and disposal.

(3) To adopt and enforce appropriate rules following the procedures of chapter 120, in connection with the provision of one or more services through its systems and facilities.

(4)(a) To adopt rules necessary for the district to enforce certain deed restrictions pertaining to the use and operation of real property within the district and outside the district pursuant to an interlocal agreement under chapter 163 if within another district or, if not within another district, with the consent of the county or municipality in which the deed restriction enforcement is proposed to occur. For the purpose of this subsection, the term “deed restrictions” means those covenants, conditions, restrictions, compliance mechanisms, and enforcement remedies contained in any applicable declarations of covenants and restrictions that govern the use and operation of real property and, for which covenants, conditions, and restrictions, there is no homeowners’ association or property owner’s association having respective enforcement powers unless, with respect to a homeowners’ association whose board is under member control, the association and the district agree in writing to enforcement by the district. The district may adopt by rule all or certain portions of the deed restrictions that:

1. Relate to limitations, prohibitions, compliance mechanisms, or enforcement remedies that apply only to external appearances or uses and are deemed by the district to be generally beneficial for the district’s landowners and for which enforcement by the district is appropriate, as determined by the district’s board of supervisors; or

2. Are consistent with the requirements of a development order or regulatory agency permit.

(b) The board may vote to adopt such rules only when all of the following conditions exist:

1. The district was in existence on the effective date of this subsection, or is located within a development that consists of multiple developments of regional impact and a Florida Quality Development.

2. For residential districts, the majority of the board has been elected by qualified electors pursuant to the provisions of s. 190.006.

3. For residential districts, less than 25 percent of residential units are in a homeowners’ association.

4. The declarant in any applicable declarations of covenants and restrictions has provided the board with a written agreement that such rules may be adopted. A memorandum of the agreement shall be recorded in the public records.

(c) Within 60 days after such rules take effect, the district shall record a notice of rule adoption stating generally what rules were adopted and where a copy of the rules may be obtained. Districts may impose fines for violations of such rules and enforce such rules and fines in circuit court through injunctive relief.

(d) The owners of property located outside the boundary of the district shall elect an advisor to the district board pursuant to paragraph (e). The sole responsibilities of the district board advisor are to review enforcement actions proposed by the district board against properties located outside the district and make recommendations relating to those proposed actions. Before the district board may enforce its rules against any owner of property located outside the district, the district board shall request the district board advisor to make a recommendation on the proposed enforcement action. The district board advisor must render a recommendation within 30 days after receiving a request from the district board or is deemed to have no objection to the district board’s proposed decision or action.

(e)1. Whenever an interlocal agreement is entered into pursuant to paragraph (a), a district board advisor seat shall be created for one elected landowner whose property is within the jurisdiction of the governmental entity entering into the interlocal agreement but not within the boundaries of the district. The district board advisor shall be elected by landowners whose land is subject to enforcement by the district but whose land is not within the boundaries of the district. The district board advisor shall be elected for a 2-year term. The first election for a district board advisor shall be within 90 days after the effective date of the interlocal agreement between the district and the government entity.

2. The election of the district board advisor shall occur at a meeting of eligible landowners. The district shall publish notice of the meeting and election once a week for 2 consecutive weeks in a newspaper of general circulation in the area of the parties to the interlocal agreement. The notice must include instructions on how all landowners may participate in the election and how to obtain a proxy form. The last day of publication may not be less than 14 days or more than 28 days before the date of the election. The landowners, when assembled at the

meeting, shall organize by electing a chair who shall conduct the meeting. The chair may be any person present at the meeting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions.

3. At the meeting, each landowner is entitled to cast one vote per acre of land owned by him or her and located within the district for each person to be elected. A landowner may vote in person or by proxy in writing. Each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property, or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy need not be notarized. A fraction of an acre shall be treated as 1 acre, entitling the landowner to one vote with respect thereto. For purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre. The acreage of platted lots may not be aggregated for purposes of determining the number of voting units held by a landowner or a landowner's proxy.

4. If a vacancy occurs in the district advisor seat, a special landowner election shall be held within 60 days after the vacancy using the notice, proxy, and acreage voting provisions of this subsection.

190.0125 Purchase, privatization, or sale of water, sewer, or wastewater reuse utility by district.—No community development district may purchase or sell a water, sewer, or wastewater reuse utility that provides service to the public for compensation, or enter into a wastewater facility privatization contract for a wastewater facility, until the governing body of the community development district has held a public hearing on the purchase, sale, or wastewater facility privatization contract and made a determination that the purchase, sale, or wastewater facility privatization contract is in the public interest. In determining if the purchase, sale, or wastewater facility privatization contract is in the public interest, the community development district shall consider, at a minimum, the following:

(1) The most recent available income and expense statement for the utility;

(2) The most recent available balance sheet for the utility, listing assets and liabilities and clearly showing the amount of contributions-in-aid-of-construction and the accumulated depreciation thereon;

(3) A statement of the existing rate base of the utility for regulatory purposes;

(4) The physical condition of the utility facilities being purchased, sold, or subject to a wastewater facility privatization contract;

(5) The reasonableness of the purchase, sales, or wastewater facility privatization contract price and terms;

(6) The impacts of the purchase, sale, or wastewater facility privatization contract on utility customers, both positive and negative;

(7)(a) Any additional investment required and the ability and willingness of the purchaser or the private firm under a wastewater facility privatization contract to make that investment, whether the purchaser is the community development district or the entity purchasing the utility from the community development district;

(b) In the case of a wastewater facility privatization contract, the terms and conditions on which the private firm will provide capital investment and financing or a combination thereof for contemplated capital replacements, additions, expansions, and repairs. The community development district shall give significant weight to this criteria.

(8) The alternatives to the purchase, sale, or wastewater facility privatization contract and the potential impact on utility customers if the purchase, sale, or wastewater facility privatization contract is not made;

(9)(a) The ability of the purchaser or the private firm under a wastewater facility privatization contract to provide and maintain high-quality and cost-effective utility service, whether the purchaser is the community development district or the entity purchasing the utility from the community development district;

(b) In the case of a wastewater facility privatization contract, the community development district shall give significant weight to the technical expertise and experience of the private firm in carrying out the obligations

specified in the wastewater facility privatization contract; and

(10) All moneys paid by a private firm to a community development district pursuant to a wastewater facility privatization contract shall be used for the purpose of reducing or offsetting property taxes, wastewater service rates, or debt reduction or making infrastructure improvements or capital asset expenditures or other public purpose; provided, however, nothing herein shall preclude the community development district from using all or part of the moneys for the purpose of the community development district's qualification for relief from the repayment of federal grant awards associated with the wastewater system as may be required by federal law or regulation.

The community development district shall prepare a statement showing that the purchase, sale, or wastewater facility privatization contract is in the public interest, including a summary of the purchaser's or private firm's experience in water, sewer, or wastewater reuse utility operation and a showing of financial ability to provide the service, whether the purchaser or private firm is the community development district or the entity purchasing the utility from the community development district.

190.013 Water management and control plan.—In the event that the board assumes the responsibility for providing water management and control for the district as provided in s. 190.012(1)(a) which is to be financed by benefit special assessments, the board shall proceed to adopt water management and control plans, assess for benefits, and apportion and levy special assessments, as follows:

(1) The board shall cause to be made by the district's engineer, or such other engineer or engineers as the board may employ for that purpose, complete and comprehensive water management and control plans for the lands located within the district that will be improved in any part or in whole by any system of facilities that may be outlined and adopted, and the engineer shall make a report in writing to the board with maps and profiles of said surveys and an estimate of the cost of carrying out and completing the plans.

(2) Upon the completion of such plans, the board shall hold a hearing thereon to hear objections thereto, shall give notice of the time and place fixed for such hearing by publication once each week for 2 consecutive weeks in a newspaper of general circulation in the general area of the district, and shall permit the inspection of the plan at the office of the district by all persons interested. All objections to the plan shall be filed at or before the time fixed in the notice for the hearing and shall be in writing.

(3) After the hearing, the board shall consider the proposed plan and any objections thereto and may modify, reject, or adopt the plan or continue the hearing to a day certain for further consideration of the proposed plan or modifications thereof.

(4) When the board approves a plan, a resolution shall be adopted and a certified copy thereof shall be filed in the office of the secretary and incorporated by him or her into the records of the district.

(5) The water management and control plan may be altered in detail from time to time until the appraisal record herein provided is filed, but not in such manner as to affect materially the conditions of its adoption. After the appraisal record has been filed, no alteration of the plan shall be made, except as provided by this act.

(6) Within 20 days after the final adoption of the plan by the board, the board shall proceed pursuant to s. 298.301.

History.—s. 2, ch. 80-407; s. 5, ch. 91-308; s. 964, ch. 95-147; s. 26, ch. 97-40.

190.014 Issuance of bond anticipation notes.—In addition to the other powers provided for in this act, and not in limitation thereof, the district shall have the power, at any time, and from time to time after the issuance of any bonds of the district shall have been authorized, to borrow money for the purposes for which such bonds are to be issued in anticipation of the receipt of the proceeds of the sale of such bonds and to issue bond anticipation notes in a principal sum not in excess of the authorized maximum amount of such bond issue. Such notes shall be in such denomination or denominations, bear interest at such rate as the board may determine in compliance with s. 215.84, mature at such time or times not later than 5 years from the date of issuance, and be in such form and executed in such manner as the board shall prescribe. Such notes may be sold at either public or private sale or, if

such notes shall be renewal notes, may be exchanged for notes then outstanding on such terms as the board shall determine. Such notes shall be paid from the proceeds of such bonds when issued. The board may, in its discretion, in lieu of retiring the notes by means of bonds, retire them by means of current revenues or from any taxes or assessments levied for the payment of such bonds; but in such event a like amount of the bonds authorized shall not be issued. Non-ad valorem assessments levied to pay interest on bond anticipation notes shall not constitute an installment of assessments under s. 190.022.

History.—s. 2, ch. 80-407; s. 9, ch. 83-215; s. 9, ch. 2007-160.

190.015 Short-term borrowing.—The district at any time may obtain loans, in such amount and on such terms and conditions as the board may approve, for the purpose of paying any of the expenses of the district or any costs incurred or that may be incurred in connection with any of the projects of the district, which loans shall bear such interest as the board may determine in compliance with s. 215.84, and may be payable from and secured by a pledge of such funds, revenues, taxes, and assessments as the board may determine, subject, however, to the provisions contained in any proceeding under which bonds were theretofore issued and are then outstanding. For the purpose of defraying such costs and expenses, the district may issue negotiable notes, warrants, or other evidences of debt to be payable at such times, to bear such interest as the board may determine in compliance with s. 215.84, and to be sold or discounted at such price or prices not less than 95 percent of par value and on such terms as the board may deem advisable. The board shall have the right to provide for the payment thereof by pledging the whole or any part of the funds, revenues, taxes, and assessments of the district. The approval of the electors residing in the district shall not be necessary except when required by the State Constitution.

History.—s. 2, ch. 80-407; s. 80, ch. 81-259; s. 10, ch. 83-215.

190.016 Bonds.—

(1) SALE OF BONDS.—Bonds may be sold in blocks or installments at different times, or an entire issue or series may be sold at one time. Bonds may be sold at public or private sale after such advertisement, if any, as the board may deem advisable but not in any event at less than 90 percent of the par value thereof, together with accrued interest thereon. Bonds may be sold or exchanged for refunding bonds. Special assessment and revenue bonds may be delivered by the district as payment of the purchase price of any project or part thereof, or a combination of projects or parts thereof, or as the purchase price or exchange for any property, real, personal, or mixed, including franchises or services rendered by any contractor, engineer, or other person, all at one time or in blocks from time to time, in such manner and upon such terms as the board in its discretion shall determine. The price or prices for any bonds sold, exchanged, or delivered may be:

(a) The money paid for the bonds;

(b) The principal amount, plus accrued interest to the date of redemption or exchange, or outstanding obligations exchanged for refunding bonds; and

(c) In the case of special assessment or revenue bonds, the amount of any indebtedness to contractors or other persons paid with such bonds, or the fair value of any properties exchanged for the bonds, as determined by the board.

(2) AUTHORIZATION AND FORM OF BONDS.—Any general obligation bonds, benefit bonds, or revenue bonds may be authorized by resolution or resolutions of the board which shall be adopted by a majority of all the members thereof then in office. Such resolution or resolutions may be adopted at the same meeting at which they are introduced and need not be published or posted. The board may, by resolution, authorize the issuance of bonds and fix the aggregate amount of bonds to be issued; the purpose or purposes for which the moneys derived therefrom shall be expended, including, but not limited to, payment of costs as defined in s. 190.003(8); the rate or rates of interest, in compliance with s. 215.84; the denomination of the bonds; whether or not the bonds are to be issued in one or more series; the date or dates of maturity, which shall not exceed 40 years from their respective dates of issuance; the medium of payment; the place or places within or without the state where payment shall be made; registration privileges; redemption terms and privileges, whether with or without premium; the manner of execution; the form of the bonds, including any interest coupons to be attached thereto; the manner of execution of bonds and coupons; and any and all other terms, covenants, and conditions thereof and the establishment of

revenue or other funds. Such authorizing resolution or resolutions may further provide for the contracts authorized by s. 159.825(1)(f) and (g) regardless of the tax treatment of such bonds being authorized, subject to the finding by the board of a net saving to the district resulting by reason thereof. Such authorizing resolution may further provide that such bonds may be executed in accordance with the Registered Public Obligations Act, except that bonds not issued in registered form shall be valid if manually countersigned by an officer designated by appropriate resolution of the board. The seal of the district may be affixed, lithographed, engraved, or otherwise reproduced in facsimile on such bonds. In case any officer whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until such delivery.

(3) INTERIM CERTIFICATES; REPLACEMENT CERTIFICATES.—Pending the preparation of definitive bonds, the board may issue interim certificates or receipts or temporary bonds, in such form and with such provisions as the board may determine, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The board may also provide for the replacement of any bonds which become mutilated, lost, or destroyed.

(4) NEGOTIABILITY OF BONDS.—Any bond issued under this act or any temporary bond, in the absence of an express recital on the face thereof that it is nonnegotiable, shall be fully negotiable and shall be and constitute a negotiable instrument within the meaning and for all purposes of the law merchant and the laws of the state.

(5) DEFEASANCE.—The board may make such provision with respect to the defeasance of the right, title, and interest of the holders of any of the bonds and obligations of the district in any revenues, funds, or other properties by which such bonds are secured as the board deems appropriate and, without limitation on the foregoing, may provide that when such bonds or obligations become due and payable or shall have been called for redemption and the whole amount of the principal and interest and premium, if any, due and payable upon the bonds or obligations then outstanding shall be held in trust for such purpose and provision shall also be made for paying all other sums payable in connection with such bonds or other obligations, then and in such event the right, title, and interest of the holders of the bonds in any revenues, funds, or other properties by which such bonds are secured shall thereupon cease, terminate, and become void; and the board may apply any surplus in any sinking fund established in connection with such bonds or obligations and all balances remaining in all other funds or accounts other than money held for the redemption or payment of the bonds or other obligations to any lawful purpose of the district as the board shall determine.

(6) ISSUANCE OF ADDITIONAL BONDS.—If the proceeds of any bonds are less than the cost of completing the project in connection with which such bonds were issued, the board may authorize the issuance of additional bonds, upon such terms and conditions as the board may provide in the resolution authorizing the issuance thereof, but only in compliance with the resolution or other proceedings authorizing the issuance of the original bonds.

(7) REFUNDING BONDS.—The district shall have the power to issue bonds to provide for the retirement or refunding of any bonds or obligations of the district that at the time of such issuance are or subsequently thereto become due and payable, or that at the time of issuance have been called or are or will be subject to call for redemption within 10 years thereafter, or the surrender of which can be procured from the holders thereof at prices satisfactory to the board. Refunding bonds may be issued at any time when in the judgment of the board such issuance will be advantageous to the district. No approval of the qualified electors residing in the district shall be required for the issuance of refunding bonds except in cases in which such approval is required by the State Constitution. The board may by resolution confer upon the holders of such refunding bonds all rights, powers, and remedies to which the holders would be entitled if they continued to be the owners and had possession of the bonds for the refinancing of which such refunding bonds are issued, including, but not limited to, the preservation of the lien of such bonds on the revenues of any project or on pledged funds, without extinguishment, impairment, or diminution thereof. The provisions of this act pertaining to bonds of the district shall, unless the context otherwise requires, govern the issuance of refunding bonds, the form and other details thereof, the rights of the holders thereof, and the duties of the board with respect to them.

(8) REVENUE BONDS.—

(a) The district shall have the power to issue revenue bonds from time to time without limitation as to amount. Such revenue bonds may be secured by, or payable from, the gross or net pledge of the revenues to be derived from

any project or combination of projects; from the rates, fees, or other charges to be collected from the users of any project or projects; from any revenue-producing undertaking or activity of the district; from special assessments; or from any other source or pledged security. Such bonds shall not constitute an indebtedness of the district, and the approval of the qualified electors shall not be required unless such bonds are additionally secured by the full faith and credit and taxing power of the district.

(b) Any two or more projects may be combined and consolidated into a single project and may hereafter be operated and maintained as a single project. The revenue bonds authorized herein may be issued to finance any one or more of such projects, regardless of whether or not such projects have been combined and consolidated into a single project. If the board deems it advisable, the proceedings authorizing such revenue bonds may provide that the district may thereafter combine the projects then being financed or theretofore financed with other projects to be subsequently financed by the district and that revenue bonds to be thereafter issued by the district shall be on parity with the revenue bonds then being issued, all on such terms, conditions, and limitations as shall have been provided in the proceeding which authorized the original bonds.

(9) GENERAL OBLIGATION BONDS.—

(a) The district shall have the power from time to time to issue general obligation bonds to finance or refinance capital projects or to refund outstanding bonds in an aggregate principal amount of bonds outstanding at any one time not in excess of 35 percent of the assessed value of the taxable property within the district as shown on the pertinent tax records at the time of the authorization of the general obligation bonds for which the full faith and credit of the district is pledged. Except for refunding bonds, no general obligation bonds shall be issued unless the bonds are issued to finance or refinance a capital project and the issuance has been approved at an election held in accordance with the requirements for such election as prescribed by the State Constitution. Such elections shall be called to be held in the district by the board of county commissioners of the county upon the request of the board of the district. The expenses of calling and holding an election shall be at the expense of the district, and the district shall reimburse the county for any expenses incurred in calling or holding such election.

(b) The district may pledge its full faith and credit for the payment of the principal and interest on such general obligation bonds and for any reserve funds provided therefor and may unconditionally and irrevocably pledge itself to levy ad valorem taxes on all taxable property in the district, to the extent necessary for the payment thereof, without limitations as to rate or amount.

(c) If the board determines to issue general obligation bonds for more than one capital project, the approval of the issuance of the bonds for each and all such projects may be submitted to the electors on one and the same ballot. The failure of the electors to approve the issuance of bonds for any one or more capital projects shall not defeat the approval of bonds for any capital project which has been approved by the electors.

(d) In arriving at the amount of general obligation bonds permitted to be outstanding at any one time pursuant to paragraph (a), there shall not be included any general obligation bonds which are additionally secured by the pledge of:

1. Special assessments levied in an amount sufficient to pay the principal and interest on the general obligation bonds so additionally secured, which assessments have been equalized and confirmed by resolution or ordinance of the board pursuant to s. 170.08.

2. Water revenues, sewer revenues, or water and sewer revenues of the district to be derived from user fees in an amount sufficient to pay the principal and interest on the general obligation bonds so additionally secured.

3. Any combination of assessments and revenues described in subparagraphs 1. and 2.

(10) BONDS AS LEGAL INVESTMENT OR SECURITY.—

(a) Notwithstanding any provisions of any other law to the contrary, all bonds issued under the provisions of this act shall constitute legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries and for any board, body, agency, instrumentality, county, municipality, or other political subdivision of the state and shall be and constitute security which may be deposited by banks or trust companies as security for deposits of state, county, municipal, or other public funds or by insurance companies as required or voluntary statutory deposits.

(b) Any bonds issued by the district shall be incontestable in the hands of bona fide purchasers or holders for value and shall not be invalid because of any irregularity or defect in the proceedings for the issue and sale thereof.

(11) COVENANTS.—Any resolution authorizing the issuance of bonds may contain such covenants as the board may deem advisable, and all such covenants shall constitute valid and legally binding and enforceable contracts between the district and the bondholders, regardless of the time of issuance thereof. Such covenants may include, without limitation, covenants concerning the disposition of the bond proceeds; the use and disposition of project revenues; the pledging of revenues, taxes, and assessments; the obligations of the district with respect to the operation of the project and the maintenance of adequate project revenues; the issuance of additional bonds; the appointment, powers, and duties of trustees and receivers; the acquisition of outstanding bonds and obligations; restrictions on the establishing of competing projects or facilities; restrictions on the sale or disposal of the assets and property of the district; the priority of assessment liens; the priority of claims by bondholders on the taxing power of the district; the maintenance of deposits to assure the payment of revenues by users of district facilities and services; the discontinuance of district services by reason of delinquent payments; acceleration upon default; the execution of necessary instruments; the procedure for amending or abrogating covenants with the bondholders; and such other covenants as may be deemed necessary or desirable for the security of the bondholders.

(12) VALIDATION PROCEEDINGS.—The power of the district to issue bonds under the provisions of this act may be determined, and any of the bonds of the district maturing over a period of more than 5 years shall be validated and confirmed, by court decree, under the provisions of chapter 75 and laws amendatory thereof or supplementary thereto.

(13) ACT FURNISHES FULL AUTHORITY FOR ISSUANCE OF BONDS.—This act constitutes full and complete authority for the issuance of bonds and the exercise of the powers of the district provided herein. No procedures or proceedings, publications, notices, consents, approvals, orders, acts, or things by the board, or any board, officers, commission, department, agency, or instrumentality of the district, other than those required by this act, shall be required to perform anything under this act, except that the issuance or sale of bonds pursuant to the provisions of this act shall comply with the general law requirements applicable to the issuance or sale of bonds by the district. Nothing in this act shall be construed to authorize the district to utilize bond proceeds to fund the ongoing operations of the district.

(14) PLEDGE BY THE STATE TO THE BONDHOLDERS OF THE DISTRICT.—The state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to own, acquire, construct, reconstruct, improve, maintain, operate, or furnish the projects or to levy and collect the taxes, assessments, rentals, rates, fees, and other charges provided for herein and to fulfill the terms of any agreement made with the holders of such bonds or other obligations and that it will not in any way impair the rights or remedies of such holders.

(15) DEFAULT.—A default on the bonds or obligations of a district shall not constitute a debt or obligation of a local general-purpose government or the state.

History.—s. 2, ch. 80-407; s. 11, ch. 83-215; s. 10, ch. 84-360; s. 24, ch. 85-80; s. 6, ch. 91-308; s. 965, ch. 95-147; s. 8, ch. 98-47; s. 6, ch. 2009-142.

190.017 Trust agreements.—Any issue of bonds shall be secured by a trust agreement by and between the district and a corporate trustee or trustees, which may be any trust company or bank having the powers of a trust company within or without the state. The resolution authorizing the issuance of the bonds or such trust agreement may pledge the revenues to be received from any projects of the district and may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as the board may approve, including, without limitation, covenants setting forth the duties of the district in relation to: the acquisition, construction, reconstruction, improvement, maintenance, repair, operation, and insurance of any projects; the fixing and revising of the rates, fees, and charges; and the custody, safeguarding, and application of all moneys and for the employment of consulting engineers in connection with such acquisition, construction, reconstruction, improvement, maintenance, repair, or operation. It shall be lawful for any bank or trust company within or without

the state which may act as a depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the district. Such resolution or trust agreement may set forth the rights and remedies of the bondholders and of the trustee, if any, and may restrict the individual right of action by bondholders. The board may provide for the payment of proceeds of the sale of the bonds and the revenues of any project to such officer, board, or depository as it may designate for the custody thereof and may provide for the method of disbursement thereof with such safeguards and restrictions as it may determine. All expenses incurred in carrying out the provisions of such resolution or trust agreement may be treated as part of the cost of operation of the project to which such trust agreement pertains.

History.—s. 2, ch. 80-407.

190.021 Taxes; non-ad valorem assessments.—

(1) AD VALOREM TAXES.—An elected board shall have the power to levy and assess an ad valorem tax on all the taxable property in the district to construct, operate, and maintain assessable improvements; to pay the principal of, and interest on, any general obligation bonds of the district; and to provide for any sinking or other funds established in connection with any such bonds. An ad valorem tax levied by the board for operating purposes, exclusive of debt service on bonds, shall not exceed 3 mills, except that a district authorized by a local general-purpose government to exercise one or more powers specified in s. 190.012(2) may levy an additional 2 mills for operating purposes, exclusive of debt service on bonds. The ad valorem tax provided for herein shall be in addition to county and all other ad valorem taxes provided for by law. Such tax shall be assessed, levied, and collected in the same manner and same time as county taxes. The levy of ad valorem taxes shall be approved by referendum when required by the State Constitution.

(2) BENEFIT SPECIAL ASSESSMENTS.—The board shall annually determine, order, and levy the annual installment of the total benefit special assessments for bonds issued and related expenses to finance district facilities and projects which are levied under this act. These assessments may be due and collected during each year that county taxes are due and collected, in which case such annual installment and levy shall be evidenced to and certified to the property appraiser by the board not later than August 31 of each year, and such assessment shall be entered by the property appraiser on the county tax rolls, and shall be collected and enforced by the tax collector in the same manner and at the same time as county taxes, and the proceeds thereof shall be paid to the district. However, this subsection shall not prohibit the district in its discretion from using the method prescribed in either s. 197.363 or s. 197.3632 for collecting and enforcing these assessments. Notice of the proposed amount of the assessment pursuant to s. 200.069 that includes the date and time of the hearing may be used in lieu of the notice provisions of s. 197.3632(4)(b). These benefit special assessments shall be a lien on the property against which assessed until paid and shall be enforceable in like manner as county taxes. The amount of the assessment for the exercise of the district's powers under ss. 190.011 and 190.012 shall be determined by the board based upon a report of the district's engineer and assessed by the board upon such lands, which may be part or all of the lands within the district benefited by the improvement, apportioned between benefited lands in proportion to the benefits received by each tract of land.

(3) MAINTENANCE SPECIAL ASSESSMENTS.—To maintain and preserve the facilities and projects of the district, the board may levy a maintenance special assessment. This assessment may be evidenced to and certified to the property appraiser by the board of supervisors not later than August 31 of each year and shall be entered by the property appraiser on the county tax rolls and shall be collected and enforced by the tax collector in the same manner and at the same time as county taxes, and the proceeds therefrom shall be paid to the district. However, this subsection shall not prohibit the district in its discretion from using the method prescribed in either s. 197.363 or s. 197.3632 for collecting and enforcing these assessments. Notice of the proposed amount of the assessment pursuant to s. 200.069 that includes the date and time of the hearing may be used in lieu of the notice provisions of s. 197.3632(4)(b). These maintenance special assessments shall be a lien on the property against which assessed until paid and shall be enforceable in like manner as county taxes. The amount of the maintenance special assessment for the exercise of the district's powers under ss. 190.011 and 190.012 shall be determined by the board based upon a report of the district's engineer and assessed by the board upon such lands, which may be all of the

lands within the district benefited by the maintenance thereof, apportioned between the benefited lands in proportion to the benefits received by each tract of land.

(4) ENFORCEMENT OF TAXES.—The collection and enforcement of all taxes levied by the district shall be at the same time and in like manner as county taxes, and the provisions of the Florida Statutes relating to the sale of lands for unpaid and delinquent county taxes; the issuance, sale, and delivery of tax certificates for such unpaid and delinquent county taxes; the redemption thereof; the issuance to individuals of tax deeds based thereon; and all other procedures in connection therewith shall be applicable to the district to the same extent as if such statutory provisions were expressly set forth herein. All taxes shall be subject to the same discounts as county taxes.

(5) WHEN UNPAID TAX IS DELINQUENT; PENALTY.—All taxes provided for in this act shall become delinquent and bear penalties on the amount of such taxes in the same manner as county taxes.

(6) TAX EXEMPTION.—All bonds issued hereunder and interest paid thereon and all fees, charges, and other revenues derived by the district from the projects provided by this act are exempt from all taxes by the state or by any political subdivision, agency, or instrumentality thereof; however, any interest, income, or profits on debt obligations issued hereunder are not exempt from the tax imposed by chapter 220. Further, districts are not exempt from the provisions of chapter 212.

(7) TRANSITIONAL PROVISIONS.—Nothing in this act shall be deemed to affect any benefit tax, maintenance tax, non-ad valorem assessment, ad valorem tax, or special assessment imposed by a community development district as of June 21, 1991. Nothing in this act shall be construed to affect any tax or assessment pledged to secure or authorized pursuant to a trust indenture under this chapter, and the district imposing such tax or assessment is hereby authorized to impose such tax or assessment under the terms required by the trust indenture. The terms benefit taxes or maintenance taxes used in this chapter prior to June 21, 1991, are redesignated as benefit or maintenance special assessments pursuant to this act, and such terms may be used interchangeably under the terms of an existing trust indenture.

(8) STATUS OF ASSESSMENTS.—Benefit special assessments, maintenance special assessments, and special assessments are non-ad valorem assessments as defined by s. 197.3632.

(9) ASSESSMENTS CONSTITUTE LIENS; COLLECTION.—Benefit special assessments and maintenance special assessments authorized by this section, and special assessments authorized by s. 190.022 and chapter 170, shall constitute a lien on the property against which assessed from the date of imposition thereof until paid, coequal with the lien of state, county, municipal, and school board taxes. These non-ad valorem assessments may be collected, at the district's discretion, by the tax collector pursuant to the provisions of s. 197.363 or s. 197.3632, or in accordance with other collection measures provided by law.

(10) LAND OWNED BY GOVERNMENTAL ENTITY.—Except as otherwise provided by law, no levy of ad valorem taxes or non-ad valorem assessments under this chapter, or chapter 170, chapter 197, or otherwise, by a board of a district on property of a governmental entity that is subject to a ground lease as described in s. 190.003(14), shall constitute a lien or encumbrance on the underlying fee interest of such governmental entity.

History.—s. 2, ch. 80-407; s. 11, ch. 84-360; s. 48, ch. 89-169; s. 7, ch. 91-308; s. 40, ch. 99-378; s. 35, ch. 2000-364; s. 10, ch. 2007-160; s. 7, ch. 2009-142.

190.022 Special assessments.—

(1) The board may levy special assessments for the construction, reconstruction, acquisition, or maintenance of district facilities authorized under this chapter using the procedures for levy and collection provided in chapter 170 or chapter 197.

(2) Notwithstanding the provisions of s. 170.09, district assessments may be made payable in no more than 30 yearly installments.

History.—s. 2, ch. 80-407; s. 12, ch. 84-360; s. 8, ch. 91-308; s. 41, ch. 99-378.

190.023 Issuance of certificates of indebtedness based on assessments for assessable improvements; assessment bonds.—

(1) The board may, after any assessments for assessable improvements are made, determined, and confirmed as provided in s. 190.022, issue certificates of indebtedness for the amount so assessed against the abutting property or property otherwise benefited, as the case may be; and separate certificates shall be issued against each part or parcel of land or property assessed, which certificates shall state the general nature of the improvement for which the assessment is made. The certificates shall be payable in annual installments in accordance with the installments of the special assessment for which they are issued. The board may determine the interest to be borne by such certificates, in compliance with s. 215.84, and may sell such certificates at either private or public sale and determine the form, manner of execution, and other details of such certificates. The certificates shall recite that they are payable only from the special assessments levied and collected from the part or parcel of land or property against which they are issued. The proceeds of such certificates may be pledged for the payment of principal of and interest on any revenue bonds or general obligation bonds issued to finance in whole or in part such assessable improvement, or, if not so pledged, may be used to pay the cost or part of the cost of such assessable improvements.

(2) The district may also issue assessment bonds or other obligations payable from a special fund into which such certificates of indebtedness referred to in the preceding subsection may be deposited; or, if such certificates of indebtedness have not been issued, the district may assign to such special fund for the benefit of the holders of such assessment bonds or other obligations, or to a trustee for such bondholders, the assessment liens provided for in this act unless such certificates of indebtedness or assessment liens have been theretofore pledged for any bonds or other obligations authorized hereunder. In the event of the creation of such special fund and the issuance of such assessment bonds or other obligations, the proceeds of such certificates of indebtedness or assessment liens deposited therein shall be used only for the payment of the assessment bonds or other obligations issued as provided in this section. The district is authorized to covenant with the holders of such assessment bonds or other obligations that it will diligently and faithfully enforce and collect all the special assessments and interest and penalties thereon for which such certificates of indebtedness or assessment liens have been deposited in or assigned to such fund; to foreclose such assessment liens so assigned to such special fund or represented by the certificates of indebtedness deposited in the special fund, after such assessment liens have become delinquent, and deposit the proceeds derived from such foreclosure, including interest and penalties, in such special fund; and to make any other covenants deemed necessary or advisable in order to properly secure the holders of such assessment bonds or other obligations.

(3) The assessment bonds or other obligations issued pursuant to this section shall have such dates of issue and maturity as shall be deemed advisable by the board; however, the maturities of such assessment bonds or other obligations shall not be more than 2 years after the due date of the last installment which will be payable on any of the special assessments for which such assessment liens, or the certificates of indebtedness representing such assessment liens, are assigned to or deposited in such special fund.

(4) Such assessment bonds or other obligations issued under this section shall bear such interest as the board may determine, not to exceed a rate which is in compliance with s. 215.84, and shall be executed, shall have such provisions for redemption prior to maturity, shall be sold in the manner and be subject to all of the applicable provisions contained in this act for revenue bonds, except as the same may be inconsistent with the provisions of this section.

(5) All assessment bonds or other obligations issued under the provisions of this act, except certificates of indebtedness issued against separate lots or parcels of land or property as provided in this section, shall be and constitute and shall have all the qualities and incidents of negotiable instruments under the law merchant and the laws of the state.

History.—s. 2, ch. 80-407; s. 81, ch. 81-259; s. 12, ch. 83-215.

190.024 Tax liens.—All taxes of the district provided for in this act, together with all penalties for default in the payment of the same and all costs in collecting the same, including a reasonable attorney's fee fixed by the court and taxed as a cost in the action brought to enforce payment, shall, from January 1 for each year the property is liable to assessment and until paid, constitute a lien of equal dignity with the liens for state and county

taxes and other taxes of equal dignity with state and county taxes upon all the lands against which such taxes shall be levied. A sale of any of the real property within the district for state and county or other taxes shall not operate to relieve or release the property so sold from the lien for subsequent district taxes or installments of district taxes, which lien may be enforced against such property as though no such sale thereof had been made. The provisions of ss. 194.171, 197.122, 197.333, and 197.432 shall be applicable to district taxes with the same force and effect as if such provisions were expressly set forth in this act.

History.—s. 2, ch. 80-407; s. 33, ch. 82-226; s. 202, ch. 85-342; s. 27, ch. 95-280.

190.025 Payment of taxes and redemption of tax liens by the district; sharing in proceeds of tax sale.—

(1) The district has the right to:

(a) Pay any delinquent state, county, district, municipal, or other tax or assessment upon lands located wholly or partially within the boundaries of the district; and

(b) To redeem or purchase any tax sales certificates issued or sold on account of any state, county, district, municipal, or other taxes or assessments upon lands located wholly or partially within the boundaries of the district.

(2) Delinquent taxes paid, or tax sales certificates redeemed or purchased, by the district, together with all penalties for the default in payment of the same and all costs in collecting the same and a reasonable attorney's fee, shall constitute a lien in favor of the district of equal dignity with the liens of state and county taxes and other taxes of equal dignity with state and county taxes upon all the real property against which the taxes were levied. The lien of the district may be foreclosed in the manner provided in this act.

(3) In any sale of land pursuant to s. 197.542 and amendments thereto, the district may certify to the clerk of the circuit court of the county holding such sale the amount of taxes due to the district upon the lands sought to be sold; and the district shall share in the disbursement of the sales proceeds in accordance with the provisions of this act and under the laws of the state.

History.—s. 2, ch. 80-407; s. 203, ch. 85-342.

190.026 Foreclosure of liens.—Any lien in favor of the district arising under this act may be foreclosed by the district by foreclosure proceedings in the name of the district in a court of competent jurisdiction as provided by general law in like manner as is provided in chapter 170 or chapter 173 and amendments thereto; the provisions of those chapters shall be applicable to such proceedings with the same force and effect as if those provisions were expressly set forth in this act. Any act required or authorized to be done by or on behalf of a municipality in foreclosure proceedings under chapter 170 or chapter 173 may be performed by such officer or agent of the district as the board of supervisors may designate. Such foreclosure proceedings may be brought at any time after the expiration of 1 year from the date any tax, or installment thereof, becomes delinquent; however no lien shall be foreclosed against any political subdivision or agency of the state. Other legal remedies shall remain available.

History.—s. 2, ch. 80-407; s. 11, ch. 2007-160.

190.031 Mandatory use of certain district facilities and services.—To the full extent permitted by law, the district shall require all lands, buildings, premises, persons, firms, and corporations within the district to use the water management and control facilities and water and sewer facilities of the district.

History.—s. 2, ch. 80-407.

190.033 Bids required.—

(1) No contract shall be let by the board for any goods, supplies, or materials to be purchased when the amount thereof to be paid by the district shall exceed the amount provided in s. 287.017 for category four, unless notice of bids or other competitive solicitation, including requests for proposals or qualifications, is advertised once in a newspaper in general circulation in the county and in the district. Any board seeking to construct or improve a public building, structure, or other public works shall comply with the bidding procedures of s. 255.20 and other applicable general law. In each case, the bid of the lowest responsive and responsible bidder shall be accepted unless all bids are rejected because the bids are too high, or the board determines it is in the best interests of the district to reject all bids. In each case in which requests for proposals, qualifications, or other competitive

solicitations are used, the district shall determine which response is most advantageous for the district and award the contract to that proposer. The board may require the bidders or proposers to furnish bond with a responsible surety to be approved by the board. If the district does not receive a response to its competitive solicitation, the district may proceed to purchase such goods, supplies, materials, or construction services in the manner it deems in the best interests of the district. Nothing in this section shall prevent the board from undertaking and performing the construction, operation, and maintenance of any project or facility authorized by this act by the employment of labor, material, and machinery.

(2) The provisions of the Consultants' Competitive Negotiation Act, s. 287.055, apply to contracts for engineering, architecture, landscape architecture, or registered surveying and mapping services let by the board.

(3) Contracts for maintenance services for any district facility or project shall be subject to competitive solicitation requirements when the amount thereof to be paid by the district exceeds the amount provided in s. 287.017 for category four. The district shall adopt rules, policies, or procedures establishing competitive solicitation procedures for maintenance services. Contracts for other services shall not be subject to competitive solicitation unless the district adopts a rule, policy, or procedure applying competitive solicitation procedures to said contracts.

History.—s. 2, ch. 80-407; s. 9, ch. 91-308; s. 113, ch. 94-119; s. 42, ch. 99-378; s. 12, ch. 2007-160.

190.035 Fees, rentals, and charges; procedure for adoption and modifications; minimum revenue requirements.—

(1) The district is authorized to prescribe, fix, establish, and collect rates, fees, rentals, or other charges, hereinafter sometimes referred to as "revenues," and to revise the same from time to time, for the facilities and services furnished by the district, within the limits of the district, including, but not limited to, recreational facilities, water management and control facilities, and water and sewer systems; to recover the costs of making connection with any district facility or system; and to provide for reasonable penalties against any user or property for any such rates, fees, rentals, or other charges that are delinquent.

(2) No such rates, fees, rentals, or other charges for any of the facilities or services of the district shall be fixed until after a public hearing at which all the users of the proposed facility or services or owners, tenants, or occupants served or to be served thereby and all other interested persons shall have an opportunity to be heard concerning the proposed rates, fees, rentals, or other charges. Rates, fees, rentals, and other charges shall be adopted under the administrative rulemaking authority of the district, but shall not apply to district leases. Notice of such public hearing setting forth the proposed schedule or schedules of rates, fees, rentals, and other charges shall have been published in a newspaper in the county and of general circulation in the district at least once and at least 10 days prior to such public hearing. The rulemaking hearing may be adjourned from time to time. After such hearing, such schedule or schedules, either as initially proposed or as modified or amended, may be finally adopted. A copy of the schedule or schedules of such rates, fees, rentals, or charges as finally adopted shall be kept on file in an office designated by the board and shall be open at all reasonable times to public inspection. The rates, fees, rentals, or charges so fixed for any class of users or property served shall be extended to cover any additional users or properties thereafter served which shall fall in the same class, without the necessity of any notice or hearing.

(3) Such rates, fees, rentals, and charges shall be just and equitable and uniform for users of the same class, and when appropriate may be based or computed either upon the amount of service furnished, upon the number of average number of persons residing or working in or otherwise occupying the premises served, or upon any other factor affecting the use of the facilities furnished, or upon any combination of the foregoing factors, as may be determined by the board on an equitable basis.

(4) The rates, fees, rentals, or other charges prescribed shall be such as will produce revenues, together with any other assessments, taxes, revenues, or funds available or pledged for such purpose, at least sufficient to provide for the items hereinafter listed, but not necessarily in the order stated:

(a) To provide for all expenses of operation and maintenance of such facility or service;

(b) To pay when due all bonds and interest thereon for the payment of which such revenues are, or shall have been, pledged or encumbered, including reserves for such purpose; and

(c) To provide for any other funds which may be required under the resolution or resolutions authorizing the issuance of bonds pursuant to this act.

(5) The board shall have the power to enter into contracts for the use of the projects of the district and with respect to the services and facilities furnished or to be furnished by the district.

History.—s. 2, ch. 80-407; s. 10, ch. 91-308.

190.036 Recovery of delinquent charges.—In the event that any rates, fees, rentals, charges, or delinquent penalties shall not be paid as and when due and shall be in default for 60 days or more, the unpaid balance thereof and all interest accrued thereon, together with reasonable attorney's fees and costs, may be recovered by the district in a civil action.

History.—s. 2, ch. 80-407.

190.037 Discontinuance of service.—In the event the fees, rentals, or other charges for water and sewer services, or either of them, are not paid when due, the board shall have the power, under such reasonable rules and regulations as the board may adopt, to discontinue and shut off both water and sewer services until such fees, rentals, or other charges, including interest, penalties, and charges for the shutting off and discontinuance and the restoration of such water and sewer services or both, are fully paid; and, for such purposes, the board may enter on any lands, waters, or premises of any person, firm, corporation, or body, public or private, within the district limits. Such delinquent fees, rentals, or other charges, together with interest, penalties, and charges for the shutting off and discontinuance and the restoration of such services and facilities and reasonable attorney's fees and other expenses, may be recovered by the district, which may also enforce payment of such delinquent fees, rentals, or other charges by any other lawful method of enforcement.

History.—s. 2, ch. 80-407; s. 82, ch. 81-259.

190.041 Enforcement and penalties.—The board or any aggrieved person may have recourse to such remedies in law and at equity as may be necessary to ensure compliance with the provisions of this act, including injunctive relief to enjoin or restrain any person violating the provisions of this act or any bylaws, resolutions, regulations, rules, codes, or orders adopted under this act. In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building, structure, land, or water is used, in violation of this act or of any code, order, resolution, or other regulation made under authority conferred by this act or under law, the board or any citizen residing in the district may institute any appropriate action or proceeding to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, or use; to restrain, correct, or avoid such violation; to prevent the occupancy of such building, structure, land, or water; and to prevent any illegal act, conduct, business, or use in or about such premises, land, or water.

History.—s. 2, ch. 80-407; s. 83, ch. 81-259.

190.043 Suits against the district.—Any suit or action brought or maintained against the district for damages arising out of tort, including, without limitation, any claim arising upon account of an act causing an injury or loss of property, personal injury, or death, shall be subject to the limitations provided in s. 768.28.

History.—s. 2, ch. 80-407.

190.044 Exemption of district property from execution.—All district property shall be exempt from levy and sale by virtue of an execution, and no execution or other judicial process shall issue against such property, nor shall any judgment against the district be a charge or lien on its property or revenues; however, nothing contained herein shall apply to or limit the rights of bondholders to pursue any remedy for the enforcement of any lien or pledge given by the district in connection with any of the bonds or obligations of the district.

History.—s. 2, ch. 80-407.

190.046 Termination, contraction, or expansion of district.—

(1) A landowner or the board may petition to contract or expand the boundaries of a community development district in the following manner:

(a) The petition shall contain the same information required by s. 190.005(1)(a)1. and 8. In addition, if the petitioner seeks to expand the district, the petition shall describe the proposed timetable for construction of any district services to the area, the estimated cost of constructing the proposed services, and the designation of the future general distribution, location, and extent of public and private uses of land proposed for the area by the future land use plan element of the adopted local government local comprehensive plan. If the petitioner seeks to contract the district, the petition shall describe what services and facilities are currently provided by the district to the area being removed, and the designation of the future general distribution, location, and extent of public and private uses of land proposed for the area by the future land element of the adopted local government comprehensive plan.

(b) For those districts initially established by county ordinance, the petition for ordinance amendment shall be filed with the county commission. If the land to be included or excluded is, in whole or in part, within the boundaries of a municipality, then the county commission shall not amend the ordinance without municipal approval. A public hearing shall be held in the same manner and with the same public notice as other ordinance amendments. The county commission shall consider the record of the public hearing and the factors set forth in s. 190.005(1)(e) in making its determination to grant or deny the petition for ordinance amendment.

(c) For those districts initially established by municipal ordinance pursuant to s. 190.005(2)(e), the municipality shall assume the duties of the county commission set forth in paragraph (b); however, if any of the land to be included or excluded, in whole or in part, is outside the boundaries of the municipality, then the municipality shall not amend its ordinance without county commission approval.

(d)1. For those districts initially established by administrative rule pursuant to s. 190.005(1), the petition shall be filed with the Florida Land and Water Adjudicatory Commission.

2. Prior to filing the petition, the petitioner shall pay a filing fee of $1,500, to the county if the district or the land to be added or deleted from the district is located within an unincorporated area or to the municipality if the district or the land to be added or deleted is located within an incorporated area, and to each municipality the boundaries of which are contiguous with or contain all or a portion of the land within or to be added to or deleted from the external boundaries of the district. The petitioner shall submit a copy of the petition to the same entities entitled to receive the filing fee. In addition, if the district is not the petitioner, the petitioner shall file the petition with the district board of supervisors.

3. Each county and each municipality shall have the option of holding a public hearing as provided by s. 190.005(1)(c). However, the public hearing shall be limited to consideration of the contents of the petition and whether the petition for amendment should be supported by the county or municipality.

4. The district board of supervisors shall, in lieu of a hearing officer, hold the local public hearing provided for by s. 190.005(1)(d). This local public hearing shall be noticed in the same manner as provided in s. 190.005(1)(d). Within 45 days of the conclusion of the hearing, the district board of supervisors shall transmit to the Florida Land and Water Adjudicatory Commission the full record of the local hearing, the transcript of the hearing, any resolutions adopted by the local general-purpose governments, and its recommendation whether to grant the petition for amendment. The commission shall then proceed in accordance with s. 190.005(1)(e).

5. A rule amending a district boundary shall describe the land to be added or deleted.

(e)1. During the existence of a district initially established by administrative rule, the process to amend the boundaries of the district pursuant to paragraphs (a)-(d) shall not permit a cumulative net total greater than 50 percent of the land in the initial district, and in no event greater than 1,000 acres on a cumulative net basis.

2. During the existence of a district initially established by county or municipal ordinance, the process to amend the boundaries of the district pursuant to paragraphs (a)-(d) shall not permit a cumulative net total greater than 50 percent of the land in the initial district, and in no event greater than 1,000 acres on a cumulative net basis.

(f) Petitions to amend the boundaries of the district that exceed the amount of land specified in paragraph (e) shall be processed in accordance with s. 190.005, and the petition shall include only the elements set forth in s. 190.005(1)(a)1. and 5.-8. and the consent required by paragraph (g). However, the resulting administrative rule or ordinance may only amend the boundaries of the district and may not establish a new district or cause a new 6-year or 10-year period to begin pursuant to s. 190.006(3)(a)2. The filing fee for such petitions shall be as set forth in s. 190.005(1)(b), as applicable.

(g) In all cases of a petition to amend the boundaries of a district, the filing of the petition by the district board of supervisors constitutes consent of the landowners within the district. In all cases, written consent of those landowners whose land is to be added to or deleted from the district as provided in s. 190.005(1)(a)2. is required.

(h) For a petition to establish a new community development district of less than 2,500 acres on land located solely in one county or one municipality, sufficiently contiguous lands located within the county or municipality which the petitioner anticipates adding to the boundaries of the district within 10 years after the effective date of the ordinance establishing the district may also be identified. If such sufficiently contiguous land is identified, the petition must include a legal description of each additional parcel within the sufficiently contiguous land, the current owner of the parcel, the acreage of the parcel, and the current land use designation of the parcel. At least 14 days before the hearing required under s. 190.005(2)(b), the petitioner must give the current owner of each such parcel notice of filing the petition to establish the district, the date and time of the public hearing on the petition, and the name and address of the petitioner. A parcel may not be included in the district without the written consent of the owner of the parcel.

1. After establishment of the district, a person may petition the county or municipality to amend the boundaries of the district to include a previously identified parcel that was a proposed addition to the district before its establishment. A filing fee may not be charged for this petition. Each such petition must include:

a. A legal description by metes and bounds of the parcel to be added;

b. A new legal description by metes and bounds of the district;

c. Written consent of all owners of the parcel to be added;

d. A map of the district including the parcel to be added;

e. A description of the development proposed on the additional parcel; and

f. A copy of the original petition identifying the parcel to be added.

2. Before filing with the county or municipality, the person must provide the petition to the district and to the owner of the proposed additional parcel, if the owner is not the petitioner.

3. Once the petition is determined sufficient and complete, the county or municipality must process the addition of the parcel to the district as an amendment to the ordinance that establishes the district. The county or municipality may process all petitions to amend the ordinance for parcels identified in the original petition, even if, by adding such parcels, the district exceeds 2,500 acres.

4. The petitioner shall cause to be published in a newspaper qualified to publish legal notices in the proposed district a notice of the intent to amend the ordinance that establishes the district. The notice must be in addition to any notice required for adoption of the ordinance amendment. Such notice must be published as provided in chapter 50 at least 10 days before the scheduled hearing on the ordinance amendment. The notice must include a general description of the land to be added to the district and the date and time of the scheduled hearing to amend the ordinance. The petitioner shall deliver, including by mail or hand delivery, the notice of the hearing on the ordinance amendment to the owner of the parcel and to the district at least 14 days before the scheduled hearing.

5. The amendment of a district by the addition of a parcel pursuant to this paragraph does not alter the transition from landowner voting to qualified elector voting pursuant to s. 190.006, even if the total size of the district after the addition of the parcel exceeds 5,000 acres. Upon adoption of the ordinance expanding the district, the petitioner must cause to be recorded a notice of boundary amendment which reflects the new boundaries of the district.

6. This paragraph is intended to facilitate the orderly addition of lands to a district under certain circumstances and does not preclude the addition of lands to any district using the procedures in the other provisions of this

section.

(2) The district shall remain in existence unless:

(a) The district is merged with another district as provided in subsection (3) or subsection (4);

(b) All of the specific community development systems, facilities, and services that it is authorized to perform have been transferred to a general-purpose unit of local government in the manner provided in subsections (5), (6), and (7); or

(c) The district is dissolved as provided in subsection (8), subsection (9), or subsection (10).

(3) The district may merge with other community development districts upon filing a petition for merger, which petition shall include the elements set forth in s. 190.005(1) and which shall be evaluated using the criteria set forth in s. 190.005(1)(e). The filing fee shall be as set forth in s. 190.005(1)(b). In addition, the petition shall state whether a new district is to be established or whether one district shall be the surviving district. A community development district may also merge with another type of special district created by special act pursuant to the terms of that special act or by filing a petition for establishment of a new district pursuant to s. 190.005. The government formed by a merger involving a community development district pursuant to this section shall assume all indebtedness of, and receive title to, all property owned by the preexisting special districts, and the rights of creditors and liens upon property are not impaired by such merger. Any claim existing or action or proceeding pending by or against any district that is a party to the merger may be continued as if the merger had not occurred, or the surviving district may be substituted in the proceeding for the district that ceased to exist. Prior to filing a petition, the districts desiring to merge shall enter into a merger agreement and shall provide for the proper allocation of the indebtedness so assumed and the manner in which such debt shall be retired. The approval of the merger agreement and the petition by the board of supervisors of the district shall constitute consent of the landowners within the district. A community development district merging with another type of district may also enter into a merger agreement to address issues of transition, including the allocation of indebtedness and retirement of debt.

(4)(a) To achieve economies of scale, reduce costs to affected district residents and businesses in areas with multiple existing districts, and encourage the merger of multiple districts, up to five districts that were established by the same local general-purpose government and whose board memberships are composed entirely of qualified electors may merge into one surviving district through adoption of an ordinance by the local general-purpose government, notwithstanding the acreage limitations otherwise set forth for the establishment of a district in this chapter. The filing of a petition by the majority of the members of each district board of supervisors seeking to merge constitutes consent of the landowners within each applicable district.

(b) In addition to meeting the requirements of subsection (3), a merger agreement entered into between the district boards subject to this subsection must also:

1. Require the surviving merged district board to consist of five elected board members.

2. Require each at-large board seat to represent the entire geographic area of the surviving merged district.

3. Ensure that each district to be merged is entitled to elect at least one board member from its former boundary.

4. Ensure a fair allocation of board membership to represent the districts being merged. To that end:

a. If two districts merge, two board members shall be elected from each of the districts and one member shall be elected at-large.

b. If three districts merge, one board member shall be elected from each of the three districts and two board members shall be elected at-large.

c. If four districts merge, one board member shall be elected from each of the four districts and one board member shall be elected at-large.

d. If five districts merge, one board member shall be elected from each of the five districts.

5. Require the election of board members for the surviving merged district to be held at the next general election following the merger, at which time all terms of preexisting board members shall end and the merger shall be legally in effect.

(c) Before filing the merger petition with the local general-purpose government under this subsection, each district proposing to merge must hold a public hearing within its district to provide information about and take public comment on the proposed merger, merger agreement, and assignment of board seats. Notice of the hearing shall be published at least 14 days before the hearing. If, after the public hearing, a district board decides that it no longer wants to merge and cancels the proposed merger agreement, the remaining districts must each hold another public hearing on the revised merger agreement. A petition to merge may not be filed for at least 30 days after the last public hearing held by the districts proposing to merge.

(5) The local general-purpose government within the geographical boundaries of which the district lies may adopt a nonemergency ordinance providing for a plan for the transfer of a specific community development service from a district to the local general-purpose government. The plan must provide for the assumption and guarantee of the district debt that is related to the service by the local general-purpose government and must demonstrate the ability of the local general-purpose government to provide such service:

(a) As efficiently as the district.

It shall design to and comply with limitation, professional registration and licensing requirements (both corporate and individual for all required basic disciplines) in effect during the term of this Agreement, and shall, if requested by the District, provide certification of compliance with all registration and licensing requirements;

C. It shall perform said services in accordance with generally accepted professional standards in the most expeditious and economical manner, and to the extent consistent with the best interests of the District; and

D. It is adequately financed to meet any financial obligations it may be required to incur under this Agreement.

SECTION 4. METHOD OF AUTHORIZATION. Each service or project shall be authorized in writing by the District ("Work Authorization"). Each Work Authorization shall include the scope of work, compensation, project schedule, and special provisions or conditions specific to the service or project being authorized. Authorization of services or projects under this Agreement shall be at the sole discretion of the District. SECTION 5. COMPENSATION. It is understood and agreed that the payment of compensation for services under this Agreement shall be stipulated in each Work Authorization. Services rendered by Engineer under this Agreement shall not exceed the amounts specifically authorized by each written Work Authorization. One of the following methods will be utilized:

A. *Lump Sum Amount* - The District and Engineer shall mutually agree to a lump sum amount for the services to be rendered payable monthly in direct proportion to the work accomplished.

B. Expense of reproduction, postage, and handling of drawings and specifications.

SECTION 7. TERM OF AGREEMENT. It is understood and agreed that this Agreement is for interim engineering services. SECTION 9. BOOKS AND RECORDS. Engineer shall maintain comprehensive books and records relating to any services performed under this Agreement, which shall be retained by Engineer for a period of at least four (4) years from and after completion of any services hereunder. The District, or its authorized representative, shall have the right to audit such books and records at all reasonable times upon prior notice to Engineer.

SECTION 10. OWNERSHIP OF DOCUMENTS.

A. All rights in and title to all plans, drawings, specifications, ideas, concepts, designs, sketches, models, programs, software, creation, inventions, reports, or other tangible work product originally developed by Engineer pursuant to this Agreement ("Work Product") shall be and remain the sole and exclusive property of the District when developed and shall be considered work for hire.

B. Engineer shall deliver all Work Product to the District upon completion thereof unless it is necessary for Engineer in the District's sole discretion, to retain possession for a longer period of time. Upon early termination of Engineer's services hereunder, Engineer shall deliver all such Work Product whether complete or not. The District shall have all rights to use any and all Work Product. Engineer shall retain copies of the Work Product for its permanent records, provided the Work Product is not used without the

District's prior express written consent. Engineer agrees not to recreate any Work Product contemplated by this Agreement, or portions thereof, which if constructed or otherwise materialized, would be reasonably identifiable with the project.

C. The District exclusively retains all manufacturing rights to all materials or designs developed under this Agreement. To the extent the services performed under this Agreement produce or include copyrightable or patentable materials or designs, such materials or designs are work made for hire for the District as the author, creator, or inventor thereof upon creation, and the District shall have all rights therein including, without limitation, the right of reproduction, with respect to such work. Engineer hereby assigns to the District any and all rights Engineer may have including, without limitation, the copyright, with respect to such work. Engineer acknowledges that the District is the motivating factor for, and for the purpose of copyright or patent, has the right to direct and supervise the preparation of such copyrightable or patentable materials or designs.

SECTION 11. ACCOUNTING RECORDS. Records of Engineer pertaining to the services provided hereunder shall be kept on a basis of generally accepted accounting principles and shall be available to the District or its authorized representative for observation or audit at mutually agreeable times.

SECTION 12. REUSE OF DOCUMENTS. All documents including drawings and specifications furnished by Engineer pursuant to this Agreement are instruments of service. They are not intended or represented to be suitable for reuse by the District or others on extensions of the work for which they were provided or on any other project. Any reuse without specific written consent by Engineer will be at the District's sole risk and without liability or legal exposure to Engineer. All documents including drawings, plans and specifications furnished by Engineer to the District are subject to reuse in accordance with Section 287.055(10), *Florida Statutes*.

SECTION 13. ESTIMATE OF COST. Since Engineer has no control over the cost of labor, materials, or equipment or over a contractor's(s') methods of determining prices, or over competitive bidding or market conditions, its opinions of probable cost provided as a service hereunder are to be made on the basis of its experience and qualifications and represent its best judgment as a design professional familiar with the construction industry, but Engineer cannot and does not guarantee that proposals, bids, or the construction costs will not vary from opinions of probable cost prepared by it. If the District wishes greater assurance as to the construction costs, it shall employ an independent cost estimator at its own expense. Services to modify approved documents to bring the construction cost within any limitation established by the District will be considered additional services and justify additional fees.

SECTION 14. INSURANCE. Subject to the provisions of this Section, Engineer shall maintain insurance during the performance of its services under this Agreement, with limits of liability not less than the following:

Workers' Compensation	Statutory

General Liability	
Bodily Injury (including Contractual)	$1,000,000/$2,000,000
Property Damage (including Contractual)	$1,000,000/$2,000,000
Automobile Liability Bodily Injury / Property Damage	Combined Single Limit $1,000,000
Professional Liability for Errors and Omissions	$1,000,000

If any such policy of insurance is a "claims made" policy, and not an "occurrence" policy, Engineer shall, without interruption, and at the District's option, maintain the insurance for at least five (5) years after the one-year anniversary of this Agreement.

The District, its officers, supervisors, agents, staff, and representatives shall be named as additional insured parties, except with respect to the Worker's Compensation Insurance and the Professional Liability for Errors and Omissions Insurance both for which only proof of insurance shall be provided. Engineer shall furnish the District with the Certificate of Insurance evidencing compliance with the requirements of this Section. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverage, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business in the state of Florida.

If Engineer fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, Engineer shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

SECTION 15. CONTINGENT FEE. Engineer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Engineer, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for Engineer, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

SECTION 16. COMPLIANCE WITH GOVERNMENTAL REGULATIONS. In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees or anyone directly or indirectly employed by Engineer, shall comply with all applicable laws, ordinances, rules, regulations, and orders of any public or governmental authority having

appropriate jurisdiction. If Engineer fails to notify the District in writing within five (5) days of the receipt of any notice, order, required to comply notice, or a report of a violation of an alleged violation, made by any local, State or Federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of Engineer or any of its agents, servants, or employees, or fails to comply with any requirement of such agency within five (5) days after receipt of any such notice, order request to comply notice, or report of a violation or an alleged violation, the District may terminate this Agreement, such termination to be effective upon the giving of notice of termination.

SECTION 17. COMPLIANCE WITH PROFESSIONAL STANDARDS. In performing its obligations under this Agreement, Engineer and each of its agents, contractors, subcontractors, employees, or anyone directly or indirectly employed by Engineer, shall maintain the highest standard of care, skill, diligence, and professional competency for such work and/or services. Any designs, drawings, reports, or specifications prepared or furnished by Engineer that contain errors, conflicts, or omissions will be promptly corrected by Engineer at no cost to the District.

SECTION 18. AUDIT. Engineer agrees that the District or any of its duly authorized representatives shall, until the expiration of four (4) years after expenditure of funds under this Agreement, have access to and the right to examine any books, documents, papers, and records of Engineer involving transactions related to this Agreement. Engineer agrees that payment made under this Agreement shall be subject to reduction for amounts charged thereto that are found on the basis of audit examination not to constitute allowable costs. All required records shall be maintained until an audit is completed and all questions arising therefrom are resolved, or three (3) years after completion of all work under this Agreement.

SECTION 19. INDEMNIFICATION. Engineer agrees to indemnify, defend, and hold the District and the District's officers and employees harmless from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, which may come against the District and the District's officers and employees, to the extent caused wholly or in part by negligent, reckless, or intentionally wrongful acts, omissions, or defaults by Engineer or persons employed or utilized by Engineer the course of any work done under this Agreement. To the extent a limitation on liability is required by Section 725.06 of the Florida Statutes or other applicable law, liability under this section shall in no event exceed the greater of the insurance limits set forth herein or Two Million Dollars ($2,000,000). Engineer agrees such limitation bears a reasonable commercial relationship to the contract and was part of the project specifications or bid documents.

PURSUANT TO FLORIDA STATUTES SECTION 558.0035 (2024), AN INDIVIDUAL EMPLOYEE OR AGENT MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.

SECTION 20. PUBLIC RECORDS. Engineer understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be public records, and,

accordingly, Engineer agrees to comply with all applicable provisions of Florida law in handling such records, including, but not limited, to Section 119.0701, *Florida Statutes*. Among other requirements and to the extent applicable by law, Engineer shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, hereinafter defined, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, *Florida Statutes*; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of this Agreement term and following this Agreement term if Engineer does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of this Agreement, transfer to the District, at no cost, all public records in Engineer's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Engineer, Engineer shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats. Engineer acknowledges that the designated Public Records Custodian for the District is Brittany Brookes.

RESOLUTION 2026-09

A RESOLUTION SETTING FORTH THE POLICY OF THE SOUTH VILLAGE NEW SMYRNA BEACH COMMUNITY DEVELOPMENT DISTRICT BOARD OF SUPERVISORS WITH REGARD TO THE SUPPORT AND LEGAL DEFENSE OF THE BOARD OF SUPERVISORS AND DISTRICT OFFICERS AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors (the "Board") and the officers and staff of the South Village New Smyrna Beach Community Development District (the "District") are constantly presented with the necessity for making decisions regarding various phases of District policy and management; and

WHEREAS, it is absolutely essential to the effective operation of the District that such decisions be made in an environment where the threat of personal liability for the Board and its officers and staff is maintained at a minimum; and

WHEREAS, the Board wishes to formalize a policy with regard to the support and legal protection of the Board and its officers and staff so as to reduce the threat of personal liability to such individuals and allow for an effective decision-making environment.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE SOUTH VILLAGE NEW SMYRNA BEACH COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. As set forth in this Resolution, the District, in accordance with Florida law, agrees that the following Board members, officers and staff (together, "Indemnitees") of the District shall be provided the benefit of the indemnification, support and legal defense provisions provided in this Resolution:

A. All members of the Board of Supervisors; and

B. Secretary and Assistant Secretaries, Treasurer and Assistant Treasurers, and other District officers, as well as District Staff (e.g., the District Manager, the District Engineer, and the District Counsel).

SECTION 2. As set forth in this Resolution and in accordance with Sections 111.07 and 768.28, *Florida Statutes*, the District hereby agrees to provide legal representation to defend any and all civil actions, including federal civil rights and other federal civil claims, arising from a complaint for damages or injuries suffered as a result of any action or omission of action of all Indemnitees, present or former, arising out of and in the scope of his or her employment or function, unless, in the case of a tort action, the Indemnitee acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or

property. Defense of such civil actions includes, but is not limited to, any civil rights lawsuit seeking relief personally against any Indemnitee for an act or omission under color of state law, custom or usage, wherein it is alleged that such Indemnitee has deprived another person of rights secured under the Federal Constitution or laws, including, by way of example, actions under 42 U.S.C. § 1983 or other federal statute. The District hereby further agrees to provide legal representation to defend against any other litigation arising against an Indemnitee from the performance of their official duties while serving a public purpose, including civil, administrative or criminal actions as permitted by law. By these provisions, the District does not waive any immunity from liability or limited waiver of such immunity as granted under Florida law. Rather, the District is stating that to the extent the State does not through its laws protect the Board and its officers from liability, the District is committed to doing so to the extent described in this Resolution and as permitted by law.

SECTION 3. The District may insure itself in order to cover all reasonable costs and fees directly arising out of or in connection with any legal claim or suit that directly results from a decision or act made by an Indemnitee while performing the duties and functions of his or her position.

SECTION 4. This Resolution is intended to evidence the District's support of Indemnitees who perform acts and render decisions in the good faith performance of their duties and functions. The District will neither support nor defend those actions or omissions committed by an individual outside the scope of his or her office or committed in bad faith or with malicious purpose or in a manner exhibiting wanton and willful disregard of human rights, safety, or property. By adoption of this Resolution, the Indemnitee(s) in question are each presumed to have acted within the scope of his or her office and are presumed to be acting in good faith, without a malicious purpose and not in a manner exhibiting wanton and willful disregard of human rights, safety or property. The District's Board of Supervisors may overcome this presumption only by unanimous vote of those participating and voting, in accordance with Section 7 herein.

SECTION 5. In the event that the District has expended funds to provide an attorney to defend a Indemnitee who is found to be personally liable by virtue of actions outside the scope of his or her employment or function, or is found to have acted in bad faith, with malicious purpose, or in a manner exhibiting wanton and willful disregard of human rights, safety, or property, the individual shall be required to reimburse the District for funds so expended. The District may recover such funds in a civil action against such individual.

SECTION 6. The District agrees to pay any final judgment, including damages, fines, penalties or other damages, costs, and attorney's fees and costs, arising from any complaint for damages or injuries suffered as a result of any action or omission of action of any Indemnitee as described in Section 111.07, *Florida Statutes*. If the action arises under Section 768.28, *Florida Statutes*, as a tort claim, the limitations and provisions of that section governing payment shall apply. If the action is a civil rights action arising under 42 U.S.C. § 1983, or similar federal statutes, payment for the full amount of judgment may be made unless the individual

has been determined in the final judgment to have caused the harm intentionally. The District agrees to pay any compromise or settlement of any claim or litigation described in this paragraph, provided, however, that the District determines such compromise or settlement to be in the District's best interest.

SECTION 7. To rebut the presumption of the automatic payment of judgments or provision of legal representation pursuant to this Resolution, at least one of the following determinations shall be made by a unanimous decision of the District's Board of Supervisors participating and voting:

A. The actions of the Indemnitee were outside the scope of his or her duties and authority; or

B. The acts or omissions of the Indemnitee constituted bad faith, malicious purpose, intentional infliction of harm or were done in a manner exhibiting wanton and willful disregard of human rights, safety or property; or

C. The Indemnitee received financial profit or advantage to which he or she was not legally entitled.

SECTION 8. To ensure the provision of legal representation pursuant to this Resolution, the following must be met:

A. A copy of the summons, complaint, notice, demand letter or other document or pleading in the action, or a letter setting forth the substance of any claim or complaint, must be delivered to the District Chairman, Vice Chairman, District Manager or District Counsel within fourteen (14) calendar days after actual receipt of any such document together with a specific request in writing that the District defend or provide representation for the Indemnitee; and

B. The Indemnitee must cooperate continuously and fully with the District in the defense of the action.

SECTION 9. Any indemnification, legal defense or other protection provided pursuant to this representation shall not extend to:

A. Consulting or other outside professional or business activities for which the Indemnitee received financial or other material compensation, which are outside the scope of his or her District duties and authority; and

B. Any independent contractor for whom defense or indemnification is not authorized pursuant to Section 1(b) of this Resolution, unless the Board votes to authorize such indemnification, legal defense, or other protection; and

C. Any fine, penalty or other punishment imposed as a result of conviction for a criminal offense, and any legal fees and costs incurred to defend criminal prosecution in which a conviction is obtained; and

D. Claims brought against the Indemnitee by the District's Board of Supervisors; and

E. Any indemnification or defense prohibited by law.

SECTION 10. In the event legal representation or defense is provided pursuant to this Resolution, the Indemnitee may either:

A. Retain legal counsel appointed by the District, in which case legal counsel shall be paid directly by the District; or

B. Retain legal counsel chosen by the Indemnitee, in which case the District shall have the right to:

i. Approve, in advance, any agreement for legal fees or disbursements; and

ii. Pay all or part of the legal fees, costs and other disbursements and to set a maximum for legal fees, costs and other disbursements; and

iii. Direct the defense and settle or compromise the action or claim; and

iv. Reduce or offset any monies that may be payable by the District by any court costs or attorneys fees awarded to the Indemnitee.

SECTION 11. The benefits of the policy adopted in this Resolution shall not enlarge the rights that would have been available to any third-party plaintiff or claimant in the absence of this policy.

SECTION 12. To the extent permitted by law, this policy shall inure to the benefit of the heirs, personal representatives and estate of the Board member and/or officer.

SECTION 13. The District reserves the right to change, modify or withdraw this Resolution in its sole discretion, except as to actions, demand or other claims based on acts or omissions that occurred before the effective change, modification or withdrawal of this Resolution.

SECTION 14. This Resolution shall be effective as of its adoption on the date listed below and shall apply to any acts or omissions occurring after that date.

B. Payment Requests for Construction Services

1. Receipt of Proper Payment Request

The time at which payment is due for Construction Services from the District is as follows:

a. If an Agent must approve the payment request before it is submitted to the District Manager, payment (whether full or partial) is due twenty-five (25) business days after the payment request is Date Stamped. The Provider may send the District an overdue notice. If the payment request is not rejected within four (4) business days after Date Stamp of the overdue notice, the payment request shall be deemed accepted, except for any portion of the payment request that is fraudulent, misleading or is the subject of dispute.

The agreement between the District and the Provider shall identify the Agent to which the Provider shall submit its payment request, or shall be provided by the District through a separate written notice no later than ten (10) days after contract award or notice to proceed, whichever is later. Provider's submission of a payment request to the Agent shall be Date

Stamped, which shall commence the time periods for payment or rejection of a payment request or invoice as provided in this section.

b. If, pursuant to contract, an Agent is not required to approve the payment request submitted to the District, payment is due twenty (20) business days after the payment request is Date Stamped unless such payment request includes fraudulent or misleading information or is the subject of dispute.

2. Receipt and Rejection of Improper Payment Request

a. If an Improper Payment Request is received, the District must reject the Improper Payment Request within twenty (20) business days after the date on which the payment request is Date Stamped.

b. The District's rejection of the Improper Payment Request must:
   i. Be provided in writing;
   ii. Specify any and all known deficiencies; and
   iii. State actions necessary to correct the Improper Invoice.

c. If a Provider submits a payment request which corrects the deficiency specified in the District's written rejection, the District must pay or reject the corrected submission no later than ten (10) business days after the date the corrected payment request is Date Stamped.

3. Payment of Undisputed Portion of Payment Request

If the District disputes a portion of a payment request, the undisputed portion shall be paid in a timely manner and in accordance with the due dates for payment as specified in this section.

VII. Resolution of Disputes

If a dispute arises between a Provider and the District concerning payment of an invoice or payment request, the dispute shall be resolved as set forth in §218.735, Fla. Stat., for Construction Services, and §218.76, Fla. Stat. for Non-Construction Goods and Services.

A. Dispute between the District and a Provider

If a dispute between the District and a Provider cannot be resolved following resubmission of a payment request by the Provider, the dispute must be resolved in accordance with the dispute resolution procedure prescribed in the construction contract, if any. In the absence of a prescribed procedure in the contract, the dispute must be resolved by the procedures specified below.

B. Dispute Resolution Procedures

1. If an Improper Payment Request or Improper Invoice is submitted, and the Provider refuses or fails to submit a revised payment request or invoice as contemplated by the PPA and these Policies and Procedures, the Provider shall, not later than thirty (30) days after the date on which the last payment request or invoice was Date Stamped, submit a written statement via certified mail to the Agent, copying the District Manager, specifying the basis upon which the Provider contends the last submitted payment request or invoice was proper.

2. Within forty-five (45) days of receipt by the Agent and District Manager of the disputed, last-submitted payment request or invoice, the Agent and/or District Manager shall commence investigation of the dispute and render a final decision on the matter no later than sixty (60) days after the date on which the last-submitted payment request or invoice is Date Stamped.

3. With regard to contracts executed on or after July 1, 2021, if the District does not commence the dispute resolution procedure within the time provided herein, a Provider may give written notice via certified mail to the Agent, copying the District Manager, of the District's failure to timely commence its dispute resolution procedure. If the District fails to commence the dispute resolution procedure within 4 business days after receipt of such notice, any amounts resolved in the Provider's favor shall bear mandatory interest, as set forth in section 218.735(9), Florida Statutes, from the date on which the payment request or invoice containing the disputed amounts was Date Stamped. If the dispute resolution procedure is not commenced within 4 business days after receipt of the notice, the objection to the payment request or invoice shall be deemed waived. The waiver of an objection pursuant to this paragraph does not relieve a Provider of its contractual obligations.

4. Absent a written agreement to the contrary, if the Provider refuses or fails to provide the written statement required above, the Agent and/or District Manager is not required to contact the Provider in the investigation. In addition, and absent a written agreement to the contrary, if such written statement is not provided, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third-party purchases from amounts owed to the Provider.

5. The Board shall approve any decision of the District Manager to contract with a third party which would result in: 1) an expenditure above what is budgeted for the Construction Services or Non-Construction Services; or 2) an expenditure which exceeds the original contract amount for the Construction Services or Non-Construction Services by more than ten percent (10%) or Ten Thousand Dollars ($10,000).

6. A written explanation of the final decision shall be sent to the Provider, via certified mail, within five (5) business days from the date on which such final decision is made. A copy of the written explanation of the final decision shall be provided to the Chairperson of the Board simultaneously with the certified mailing to the Provider.

7. If a Provider does not accept in writing the final decision within five (5) days after receipt by the Provider, the District may immediately contract with third parties to provide the goods and services subject to the dispute and deduct the costs of such third-party purchases from amounts owed to the Provider. If the costs of the third-party purchases exceed the amount the District owes to the Provider, the District may seek to recover such excess from the Provider in a court of law or as otherwise provided in an agreement between the District and the Provider. Nothing contained herein shall limit or affect the District's ability to enforce all of its legal and contractual rights and remedies against the Provider.

VIII. Purchases Involving Federal Funds or Bond Funds

When the District intends to pay for a purchase with federal funds or bond funds, the District shall make such purchases only upon reasonable assurances that federal funds or bond funds sufficient to cover the cost will be received. When payment is contingent upon the receipt of bond funds, federal funds or federal approval, the public procurement documents and any agreement with a Provider shall clearly state such contingency. (§218.77, Fla. Stat.).

IX. Requirements for Construction Services Contracts – Project Completion; Retainage

The District intends to follow the PPA requirements for construction project completion and retainage, including, but not limited to, §218.735 (7) and (8), Fla. Stat.

X. Late Payment Interest Charges

Failure on the part of the District to make timely payments may result in District responsibility for late payment interest charges. No agreement between the District and a Provider may prohibit the collection of late payment interest charges allowable under the PPA as mandatory interest. (§218.75, Fla. Stat.).

A. **Related to Non-Construction Goods and Services**

All payments due from the District, and not made within the time specified within this policy, will bear interest, from thirty (30) days after the due date, at the rate of one percent (1%) per month on the unpaid balance. The Vendor must submit a Proper Invoice to the District for any interest accrued in order to receive the interest payment. (§218.735(9), Fla. Stat.).

An overdue period of less than one (1) month is considered as one (1) month in computing interest. Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

B. **Related to Construction Services**

All payments for Construction Services that are not made within the time periods specified within the applicable statute, shall bear interest from thirty (30) days after the due date, at the rate of one percent (1%) per month for contracts executed on or before June 30, 2021, and at the rate of two percent (2%) per month for contracts executed on or after July 1, 2021, or the rate specified by agreement, whichever is greater. §218.735(9), Fla. Stat. The Provider must submit a Proper Payment Request to the District for any interest accrued in order to receive the interest payment. An overdue period of less than one (1) month is considered as one (1) month in computing interest. (§218.74 (4), Fla. Stat.).

Unpaid interest is compounded monthly. The term one (1) month means a period beginning on any day of a month and ending on the same day of the following month.

C. **Report of Interest**

If the total amount of interest paid during the preceding fiscal year exceeds $250, the District Manager is required to submit a report to the Board during December of each year, stating the number of interest payments made and the total amount of such payments. (§218.78, Fla. Stat.).

RECITALS

WHEREAS, pursuant to Chapter 190, *Florida Statutes*, the District was established for the purpose of planning, financing, constructing, operating and/or maintaining certain infrastructure, and is authorized to levy such taxes, special assessments, fees, and other charges as may be necessary in furtherance of the District's activities and services; and

WHEREAS, Developer presently owns and/or is developing the Property within the District, which Property will benefit from the timely construction and acquisition of the District's facilities, activities, and services and from the continued operations of the District; and

WHEREAS, for the fiscal year beginning October 1, 2025, and ending September 30, 2026 ("**FY 2026**"), the Board of Supervisors ("**Board**") of the District adopted its general fund budget ("**Budget**") attached hereto as **Exhibit A** and incorporated herein by reference; and

WHEREAS, the Parties recognize the Budget may be amended from time to time in the sole discretion of the District; and

WHEREAS, the District has the option of levying non-ad valorem assessments on all lands within the District benefitting from the activities, operations and services set forth in the Budget, including the Property, or utilizing such other revenue sources as may be available to it; and

WHEREAS, in lieu of levying assessments on the Property, the Developer is willing to provide such funds as are necessary to allow the District to proceed with its operations as described in the Budget; and

WHEREAS, the Developer agrees that the activities, operations and services provide a special and peculiar benefit to the Property equal to or in excess of the costs reflected in the Budget; and

WHEREAS, the Developer agreed to enter into this Agreement in lieu of having the District levy and collect any non-ad valorem assessments as authorized by law against the lands within the District, including the Property, for the activities, operations, and services set forth in the Budget; and

WHEREAS, Developer and District agree such Budget funding obligation by the Developer may be secured and collection enforced pursuant to the methods provided herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **FUNDING.** The Developer agrees to make available to the District the monies ("**Funding Obligation**") necessary for the operation of the District as called for in the Budget attached hereto as **Exhibit A** within thirty (30) days of written request by the District. **Exhibit A** attached hereto may be amended from time to time pursuant to Florida law. Any such amendment adopted by the Board at a duly noticed public meeting shall have the effect of amending this Agreement without further action of the Parties. As a point of clarification, the District shall only request as part of the Funding Obligation that the Developer fund the actual expenses of the District, and the Developer is not required to fund the total general fund Budget in the event that actual expenses are less than the projected total general fund Budget, as may be amended as provided herein. The funds shall be placed in the District's general checking account. In the event the Developer sells any of the Property during the term of this Agreement, the Developer's rights and obligations under this Agreement shall remain the same.

2. **ACKNOWLEDGEMENT.** The District hereby finds, and the Developer acknowledges and agrees, that the activities, operations and services set forth in the Budget provide a special and peculiar benefit to the Property, which benefit is initially allocated on an equal developable acreage basis. These payments are made by the Developer in lieu of taxes, fees, or assessments which might otherwise be levied or imposed by the District. Nothing contained herein shall constitute or be construed as a waiver of the District's right to levy assessments, including on the Property, in the event of a funding deficit.

3. **COLLECTION METHODS.** The District may enforce the collection of funds due under this Agreement by certifying amounts due hereunder as a non-ad valorem assessment on all or any part of the Property for collection, either through the Uniform Method of Collection set forth in Chapter 197, Florida Statutes, or under any method of direct bill and collection authorized by Florida law. The enforcement of the collection of funds, including which method to utilize, shall be in the sole discretion of the District Manager on behalf of the District, without the need of further Board action authorizing or directing such.

4. **ENTIRE AGREEMENT; AMENDMENTS.** This instrument shall constitute the final and complete expression of the agreement among the Parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both of the Parties hereto.

5. **AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of all Parties hereto, each Party has complied with all of the requirements of law, and each Party has full power and authority to comply with the terms and provisions of this instrument.

6. **ASSIGNMENT.** This Agreement may be assigned, in whole or in part, by either Party only upon the written consent of the other. Any purported assignment without such consent shall be void.

7. **DEFAULT.** A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which shall include, but not be limited to, the right of damages, injunctive relief and/or specific performance.

8. **ENFORCEMENT.** In the event that any Party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing Party shall be entitled to recover from the other all costs incurred, including interest accrued on an unsatisfied Funding Obligation, reasonable fees and costs incurred by the District incident to the collection of the Funding Obligation or for enforcement of the Lien, or reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

9. **THIRD PARTY BENEFICIARIES.** This Agreement is solely for the benefit of the formal Parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the Parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the Parties hereto and their respective representatives, successors and assigns.

10. **CHOICE OF LAW.** This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida.

Dear Mr. Chairman and Board Members:

Greenberg Traurig, P.A. would be pleased to serve as Bond Counsel to the South Village New Smyrna Beach Community Development District (the "District") in connection with the above-referenced proposed special assessment bond issues (the "Bonds") to be issued to finance certain public infrastructure improvements (herein, the "Project") and the costs of issuance of the Bonds.

We would propose to perform all of the services customarily performed by bond counsel, including necessary tax analysis in connection with the issuance of the above-referenced Bonds under a master trust indenture and one or more supplemental trust indentures (which we shall prepare), the preparation of all bond resolutions, the drafting of all closing papers, the delivery of our tax opinion to the investors, providing assistance in the preparation of a preliminary and final limited offering memorandum and the validation of the Bonds. For our services, we would propose a legal fee of $60,000 per issue. We would like to point out that our Firm will provide an unqualified tax opinion subject to additional tax diligence in light of the Villages TAM. We would also assist District Counsel in the validation of the Bonds. In addition, we would review all required assessment proceedings prepared by District Counsel on the District Manager.

We will also seek reimbursement of our reasonable documented expenses; such fees and expenses payable at, and contingent upon, the closing of the Bond issue (other than our expenses which are not contingent on the closing of the Bonds). Our out-of-pocket expenses, for which we will bill the District at the time of delivery of the Bonds, will not include the cost of preparing the final bond transcripts. Such item will be a post-closing matter and will be billed to the District at cost. Our fees assume that the requirements of Circular 230 will not be applicable to the Bonds; but in any event could not exceed the above stated amounts without notice to the Board of Supervisors.

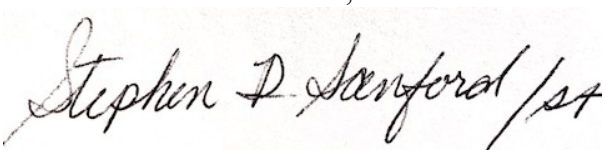

If for any reason the District is unable to complete its financing or shall abandon issuing the Bonds utilizing special assessment bonds to finance the costs of the Project, our proposed bond counsel fee would be payable in the amount described below on or before the close of calendar year 2026. Such amount due would be equal to our normal hourly rates, discounted by 10%, plus our reasonable documented out-of-pocket expenses. In all cases, if we were to be paid under such formula, our total fee for services provided as bond counsel would not exceed $60,000 per issue. We presume that under that scenario, where there are no bond proceeds available to pay our fees, payment would be made from general fund moneys of the District or moneys provided by the primary landowner/developer.

If our fee quote is acceptable to you, please indicate by signing below and return the same to me.

If you have any questions, please feel free to give me a call. We look forward to the opportunity to work with you on this financing.

Very truly yours,

GREENBERG TRAURIG, P.A.

Re: Agreement for Underwriter Services & Rule G-17 Disclosure

Dear Mr. Flint:

Thank you for the opportunity to work with the South Village New Smyrna Beach Community Development District (the "Issuer") regarding the underwriting of the Issuer's Special Assessment Bonds, Series 2026 and future series of bonds (the "Bonds"). The Issuer and FMSbonds, Inc. ("FMS"), solely in its capacity as underwriter, agree to the proposed terms set forth herein in Attachment I. By executing this letter both parties agree to the terms set forth herein.

FMS's role is limited to act as Underwriter within the Scope of Services set forth herein as Attachment I, and not as a financial advisor or municipal advisor. Any information that FMS has previously provided was solely for discussion purposes in anticipation of being retained as your underwriter. Attachment II, attached hereto, contains the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)[1] (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

We look forward to working with you.

Yours truly,

[1] Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

ATTACHMENT I

Section 1 **Scope of Services of FMS**: FMS proposes that its duties as Underwriter shall be limited to the following:

1. To provide advice to the Issuer on the structure, timing and terms of the Bonds;

2. To coordinate the financing process;

3. To conduct due diligence;

4. To assist in the preparation of an offering memorandum;

5. To review the assessment methodology and Bond documents;

6. To market and offer Bonds to investors.

Section 2 **Terms and Conditions:**

1. Underwriter Fee ("Underwriting Fee"). FMS shall act as sole lead underwriter. The Underwriting Fee to FMS for acting as Underwriter shall be 2% of the par amount of any Bonds issued. The Underwriting Fee shall be due and payable only upon the closing of the Bonds. The Underwriting Fee may be modified pursuant to a bond delegation or award resolution approved by the Board and consented to by the Underwriter.

2. Price and Interest Rates: The offering price and interest rates are expected to be based on recent comparable transactions in the market, if any. FMS and the Issuer will jointly determine the offering price and interest rates immediately prior to the start of the order period, based on market conditions then prevailing.

3. Bond Purchase Agreement. The obligations of the Underwriter and those of the Issuer would be subject to the satisfactory completion of due diligence and to the customary representations, warranties, covenants, conditions, including provisions respecting its termination contained in the form of a bond purchase agreement FMS will prepare and as generally used in connection with the offering of Bonds for this type of transaction.

4. Costs of Issuance. The Issuer shall be responsible for the payment of all expenses relating to the offering, including but not limited to, attorney fees, consultant fees, costs associated with preparing offering documents, if any, the purchase agreement, regulatory fees and filing fees and expenses for qualification under blue sky laws designated by FMS and approved by the Issuer.

5. Assumptions. The proposed terms and statements of intention set forth in this attachment are based on information currently available to FMS about the Issuer and the market for special assessment bonds similar to the Bonds and the assumptions that:

a) the financial condition and history of the project shall be substantially as understood, and the financial information for the relevant and appropriate period ended to be included in the final offering memorandum will not vary materially from those set forth in the material furnished to FMS;

b) no adverse developments shall occur which materially and adversely affect the underlying security and financial condition of the Issuer and the primary landowner and developer;

c) the offering memorandum will comply with all applicable laws and regulations;

d) there will not be any unanticipated substantial delays on the part of the Issuer in completing the transaction; and

e) all conditions of the Underwriter to purchase Bonds will be included in the bond purchase agreement and conditions shall be satisfied or waived, in the sole discretion of the Underwriter.

6. Information. The Issuer agrees to reasonably and actively assist FMS in achieving an underwriting that is satisfactory to FMS and the Issuer. To assist FMS in the underwriting the Issuer will (a) provide and cause the Issuer's staff and its professionals to provide FMS upon request with all information reasonably deemed necessary by FMS to complete the underwritings, included but not limited to, information and evaluations prepared by the Issuer and its advisors and the primary landowner and developer; and (b) otherwise assist FMS in its underwriting efforts.

7. Term of Engagement. The term of our engagement shall commence as of the date the covering letter is executed by the Issuer and continue in full force and effect unless terminated by either party. In event of termination by the Issuer without cause, FMS shall be entitled to recover its reasonable out of pocket expenses incurred up to the date of termination.

8. No Commitment. Notwithstanding the foregoing, nothing herein shall constitute an agreement to provide a firm commitment, underwriting or placement or arrangement of any securities by FMS or its affiliates. Any such commitment, placement or arrangement shall only be made a part of an underwriting agreement or purchase agreement at the time of the sale of the Bonds.

   The engagement contemplated hereby is solely for the benefit of the Issuer and FMS and their respective successors, assigns and representatives and no other person or entity shall acquire or have any right under or by virtue hereof.

   This engagement contains the entire understanding of the parties relating to the transactions contemplated hereby and supersedes all prior agreements, understandings and negotiations with respect thereto.

9. No Financial Advisor. FMS's role is limited to that of an Underwriter and not a financial advisor or municipal advisor.

ATTACHMENT II

MSRB Rule G-17 Disclosure --- The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the "Underwriter") and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the 'Bonds"). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.

- The Underwriter's primary role is to purchase the Bonds in an arm's-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.

- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.

- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.

- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter's compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.

Thank you for the opportunity to provide our services to South Village New Smyrna Beach Community Development District. This letter will confirm U.S. Bank Trust Company's proposed fee structure for the District (per Series):

Acceptance Fee	$2,400
Closing Expenses	$150 (Not to Exceed, Remote Closing)
Annual Trustee, Paying Agent & Registrar Fee *(0.033% of Bonds O/S, Min $4,350 & Max $8,250)*	$4,350 (Est.)
Ongoing Out-of-Pocket Expenses	7.50% of Annual Fees (Not to Exceed $350)
Trustee Counsel Fee	$6,250 (Not to Exceed)

Extraordinary Administration Services ("EAS") are duties, responsibilities or activities not expected to be provided by the trustee or agent at the outset of the transaction, not routine or customary, and/or not incurred in the ordinary course of business, and which may require analysis or interpretation. Billing for fees and expenses related to EAS is appropriate in instances where particular inquiries, events or developments are unexpected, even if the possibility of such circumstances could have been identified at the inception of the transaction, or as changes in law, procedures, or the cost of doing business demand. At our option, EAS may be charged on an hourly (time expended multiplied by current hourly rate), flat or special fee basis at such rates or in such amounts in effect at the time of such services, which may be modified by us in our sole discretion from time to time. In addition, all fees and expenses incurred by the trustee or agent, in connection with the trustee's or agent's EAS and ordinary administration services and including without limitation the fees and expenses of legal counsel, financial advisors and other professionals, charges for document amendments and substitutions, tenders, optional redemptions, UCC filings, investment agreements, outside held money market funds, default administration, wire transfers, checks, internal transfers and securities transactions, travel expenses, communication costs, postage (including express mail and overnight delivery charges), copying charges and the like will be payable, at cost, to the trustee or agent. EAS fees are due and payable in addition to annual or ordinary administration fees. Failure to pay for EAS owed to U.S. Bank within 45 days may result in interest being charged on amounts owed to U.S. Bank for EAS fees and expenses at the prevailing market rate. This proposal and the fees detailed herein are subject in all aspects to U.S. Bank's review and acceptance of the final financing documents which set forth our duties and responsibilities. Fees are subject to change at our discretion and upon written notice. Fees paid in advance will not be pro-rated. The fees set forth above and any subsequent modifications thereof are part of your agreement. Finalization of the transaction constitutes agreement to the terms and conditions set forth herein, including agreement to any subsequent changes upon proper written notice. In the event your transaction is not finalized, any related expenses will be billed to the client directly.

All fees and expenses are payable in advance. Again, thank you for the opportunity to provide our services to the District and the District's professional team. Please contact me at 954.938.2476 if you have any questions or need any additional information.

Sincerely,

Scott A. Schuhle
